actor in our city. Me ara. Phillips & Best now employ \$50 to 175 hands, about one hundred of whom are bors and this strong force is kept constantly at work. The house is one of stal titty and enterprice, turns out first class were, and finds a market for it in the South and West, principally. The firm are liberal, accommodating men, of large experience in their business and in every way worthy of their full share of patropage.

KILLED-FOUL PLAY SUSPECTED -On Saturday evening last, the 2d inst., about half past six o'clock, a watchman on the sylvania Railroad, named Fritzgar, was iar circumstances, which have given currency to the opinion that he was, perhaps, foully lealt with. The facts in the case are briefly

It was Fritzgar's dutyto watch the track and keep it clear, which it is said he was doing a died on Sunday morning. very few moments before he met his death, groman seeing him walking along it, with a lighted lamp in his hand, not ten minutes be ore he was killed. A small wound, supposed to have been inflicted with a sharp i ment, which it was thought could not have been made by saything on the train, was found in the centre of the man's forehead, while his head rested on one rail of the track his feet on the other, and his lamp, the light extinguished, found sitting on the and of tte, on the other track. All the circumstances nding the case, have attached a myster to it, and many entertain the opinion that the man had been knocked down, and pieced i the position above named, to create the opin that he had been killed by acciden A Coroners inquest was to have been held

yesterday morning, when all the facts were probably elicited. Deceased lived at Lockport, and leaves a wife and four shildren, LOCAL LEGISLATION .- In the House of Ra presentatives, on Tuesday of last week, an act egulating the fees of justices and constables f Cumberland county, &c." was passed, as

"That from and after the passage of this act all fees to be received by any Mayor, Alderman or Justices of the Peace in the county Cumberland, in any vagrant case, or cases of oxication, shall be thirty cents and no mor That all fees to be received by any Constable in the said county, in any vagrant case, o cases of intoxication, shall be as follows for arresting and bringing before a justice and conveying to jail, twenty cents, with law only where heretofore allowed by the distance traveled exceeds one mile. This act was extended to Allegheny county, and passed-it now goes to the Senate. following, offered by Mr. Douglas, also passed the House, on the same day. It does away with the payment of \$5 each per diem

o the high and low water mark commission "That the Commissioners of the county of Allegheny shall not draw any order or warrant or pay out any money out of the Treasury aftr the first day of April, A. D., 1861, or neur any expense under the provisions of the act entitled an act to establish high and low water lines (in said county) approved the 16;h

April, A. ..., 1858. PROFESSOR KIDD.—This celebrated elocu. tionst gives one of his excellent entertainnents at City Hall, under the auspices of the Young Men's Christian Association, this evening. He gave a reading on last Tuesday evening for the benefit of the Ladies' Benevolent Association of Allegheny, which was not as well attended as it should have been. We hope to see a larger audience present to night. Prof. Kidd's entertainments are of the first order, and as the Association is a worthy one

should be liberally sustained. FOR ZARBAS. - Mayor Wilson yesterday received \$13,50 for the Kansas fund from the Keystone Lodge, No. 72, I. O. O. F. making on thus far of \$4016,82. Mr. Wm. McDaniel sends a box of Dry Goods and clothing from citizens of Canonsburgh, to be forwarded.

STREET CLEANING.—That very interesting THE LATEST NEWS. cocess, the annual (for few localities attract e attention of the Etreet Commissioners more than once a year) cleaning of the streets of our dty is now going on, a month earlier than usual, but not before it had long been needed EDITOR AND PROFESTOR.

Tenus:—Daily, Rive Dellars per year, street in ad long been needed.

We are glad to see this, but humbly suggest to Messrs. Couper and Owens, the street Commissioners, the propriety of removing the dirt after it has been scraped up in piles. We saw last evening, large piles of mud on Third street, which had lain since morning. If permitted to remain till this evening, a second onslaught to remain till this evening, a second onslaught to remain till this evening, a second onslaught. of the scavangers would be necessary. would cost no more to have it hauled away once, and perhaps be cheaper in the end. We hope to see the streets thoroughly cleaned this

> ent and greatly distinguished citizens have in succession administered the executive branch a vital question, effecting the whole people is letters. The word "Constitution," was on succession administered the executive branch a view question, obscelling the decision of the leach side of the car. The car was decorated to be irrevocably fixed by the decision of the leach side of the car. of the trovernment. They have conducted it through many perils, and generally with great success; yet with all this scope for precedent, I now enter upon the same task for the brief onstitutional term of four years, under great own rulers, having to that extent practically typifying respectively the North and South resigned their government into the hands of The whole affair was under the charge of ten and peculiar difficulties. A disrupt on of the Federal Union, heretofore only menaced, is now formidably attempted. I hold that in contemplation of the universal law, and of the Constitution, the Union of these states is perpetually implied if not expressed in the fundamental law of all national governments. It is and it is no fault of their decisions to pointical purposes. One section of our country believes slavery is right, and ought to be extended, while the other best front of the nortico was through with needle front the next had a provision in its organic law for its and ought to be extended, while the other best front of the nortico was through with needle front front of the nortico was through with needle front of the nortice was under the charge of ten whole affair was under the charge of ten whole affair was under the charge of ten while Awakes in full uniform, cape, cap and all. 500 delegates from New York were in the procession marching four arching four arching four arching four arching from the first of the subject of the first of the procession marching four arching four arching from the front of the whole affair was under the charge of ten whole affair was under the charge of the wide and the first of the procession that the procession marching from the first of the procession marching from the first of the procession marching from the procession marching from the first of the procession marching from the procession marching from the first of the procession marchin safe to assert that government proper has the of our country condition and ought to be extended, while the other beat front of the portice was thronged with people never had a provision in its organic law for its bever had a provision in its organic law for its and ought to be extended, while sub-orate to a front of the portion was through with people, own termination. It will continue to execute lieves it is wrong, and ought not to be extend. the crowd extending to a great distance on own termination. It will continue to execute all the express provisions of our National Constitution, and the United States be not a government proper, but an association of States in the nature of a montract merely: can be supposed for the supposed for the people imperfectly supports the law itself. Would the great body of the climbed a tree and getting out on one of the law itself. Would the great body of the climbed a tree and getting out on one of the climbed a tree and getting out on one of the climbed a tree and getting out on one of the climbed a tree and getting out on one of the climbed a tree and getting out on one of the climbed a tree and getting out on one of the climbed a tree and getting out on one of the climbed a tree and getting out on one of the climbed a tree and getting out on one of the climbed a tree and getting out on one of the climbed. Government proper, but an association of States in the nature of a contract, be peaceably unmade by less than all the parties who made it, as one party to a contract may violate it or break it, so to peace, does it not require all to lawfully repeated by the dry legal obligation in both than all the parties who made it, as one party to a contract may violate it or break it, so to peace, does it not require all to lawfully reperfectly suppressed, would be immediately repeated by the dry legal obligation in both climbs began to deliver an inaugural after his contract may violate it or break it, so to peaceably unmade by less than all the parties who made it, as one party to a contract may violate it or break it, so to peaceably unmade by less than all the parties who made it, as one party to a contract may violate it or break it.

rpeak, does it not require all to lawfully rescind it? Descending from these general principles, we find the proposition that in a legal contemplation of the case, the Union is perpetually confirmed by the history of the [/nion isself. The Union is much older than the Constitution. It was formed, in fact, by the each other, nor build an impassable wall between them. A husband and wife may be discontinged for the case and stood at rest during the delivery of the linaugural. As the sun shone brightly on the gay dresses of ladies, the waving stars and stripes and the handsome uniforms and glitter-tween them. A husband and wife may be distingtive may be distingted in a stood at rest during the delivery of the linaugural. WASHINGTON, March 4.-The Senate re t was passed-yeas 24, nays 12. The Peace rejected-yess 7, nays 28. The Crittenden grow weary of the existing government, they ntions were the St. Louis, March 4.—Pursuant to adjourn-

ment on Friday evening, the State Conv this I deem to be only a simple duty on my While I make no recommendations or part, and I shall perform it so far as practicas amendments, I fully recognize the rightful masters the American authority of the people are the rightful masters the American authority of the people are the rightful masters the American authority of the people are the rightful masters the American authority of the people are the rightful masters the American authority of the people are the rightful masters the American authority of the people are the rightful masters the American authority of the people are the rightful masters. ble, unless my rightful masters, the American below under existing circumstances favor rather than the declared missone authoritative manner direct the considered as a under existing circumstances favor rather than the declared missone authoritative manner direct the considered as a under existing circumstances favor rather than the declared missone authoritative manner direct the considered as a under existing circumstances favor rather than the declared missone authority of the people over the whole subject, to be exercised in either of the modes pre-than the morning, at the instrument is the morning, at the instrument is the factor of the half was tastefully decorated with national flags, and a large eagle was placed over the Chairman's stand. The lobby was crowded. trary. I trust this will not be considered as a menace, but only as the declared purpose of the Union that it will constitutionally defend and maintain itself. In doing this there need be no bloodshed or yiolenee, and there shall be referable, inasmuch as it allows the amend.

A committee of thirteen on rederal Relations in one and closing their books, partnerships change and illustrate pertaining to the artistic possible. The Convention is now entered as a proposition to receive gaged in discussing a proposition to receive Mr. Glenn, Commissioner from Georgia, with a fair prospect of rejecting it.

To LET—The Three Storied Warehouse Mr. Glenn, Commissioner from Georgia, with a fair prospect of rejecting it.

none unless it be forced upon the national authority. The power confided to me will be used to hold, occupy and possess the property and places belonging to the Government, to collect duties and imposts, but beyond what may be necessary for these objects, there will be no invasion, no using of force against or among the people anywhere where hostility to the United States, in any interior locality, shall be so great, and so universal, as to prevent competent resident citizens from holding

WASHINGTON CITY, March 4 - During th who now addresses you. Id) but quote from one of those speeches when I declare to you that I have no purpose directive and declare to you that I have no purpose directive and described to the manufacture and have meaning the description of our National fabric, with all its have no purpose directive and description of our National fabric, with all its have no purpose directive and description of our National fabric, with all its have no purpose directive and description of our National fabric, with all its have no purpose directive and description of our National fabric, with all its manufacture of our national fabric, with all its have no purpose directive and description of our National fabric, with all its have no purpose directive and description of our National fabric, with all its have no purpose directive and description of our National fabric, with all its have no purpose directive and description of our National fabric, with all its have no purpose directive and description of our National fabric, with all its have no purpose directive and description of our National fabric, with all its have no purpose of description of our National fabric, with all its have no purpose of the national fabric and description of our National fabric, with all its have no purpose of the national fabric and description of our National conducting the manufacture of glass properly and profitably. The building was erected list fall; and the fifth contains the made cost about \$10,000.

In the first floor we find one partion set saper for two large furnaces, of ten pots each, filled with the olarge furnaces, of ten pots each, filled with the government in the short two large furnaces, of ten pots each, filled with the government in the short with the fill knowledge that the condition of the streets, recking with made cost about \$10,000.

The chief Justices where it exists. I believe I have no lackly right to do so, and I have no inclination to do so. Those who nominated and shift the government in the short with government in the street, between Wood and Smith fills you fly from have no real existence. Will you here it exists. I believe I have no lackly right to do so, and I have no inclination to do so. Those who nominated and shift the government in the government in the short intervals. While the people retain their to every word, and at its condition of the street, between Wood and Smith fills you fly from have no real existence. Will you here it exists. I believe I have no inclination to do so. Those who nominated and shift and the given make and the condition of the street, between Wood and Smith fills you fly from have no real existence. Will you here it exists. I believe I have not inclinately any extreme of wickelness or folly can very section of the street, between Wood and Smith fills you fly from have no real existence. Will you here it exists. I believe I have not inclinately any extreme of wickelness or folly can very section of the street, between Wood and Smith. In taking which, mation to do so. Those who nominated and she with the government in the short in the short in the store with a street, between Wood and Smith. In the state with the certain flay on the street, between Wood and Smith. In the state with the certain flay on the street, between Wood and Smith. In the state of the virtue and vigilance, no administration, by on and nad never recanted them; and more than this, they placed in the platform for my acceptance, as a law to themselves and to me, the clear and emphatic resolution which I now read: "Resolved, That the maintenance invisional resolution, has been decided? I think older of the rights of the States and constitution, has been decided? I think older of the rights of the States and constitution, has been decided? I think the constitution of the rights of the States and constitution, has been decided? I think the constitution of the rights of the States and constitution. The commission of so fearful a mistake. All profess to be content in the Union if all ject. Nothing valuable can be lost by taking time. If there be an object to hurry any of the cighth coromonay of the kind at which never take deliberately, that object the oath successfully to President Vantage of the rights of the States and constitutions are constitutions. The inauguration of to-day makes the cighth coromonay of the kind at which you in hot haste to a step which you would justice Taney has officiated, having adminibility to President Vantage of the rights of the state of the state of the rights of the st the clear and emphatic resolution which I now read: "Resolved. That the maintenance invisorated of the right of each States, and especially the human mind is so constituted that no party can reach to the audacity the right of each State to order and control its own domestic institutions according to its own judgment, exclusively, is essential to that bal ance of power on which the perfection and we denounce the lawless invasion by an armed and the constitution of any clearly written in the constitution in the constitution in the care decided? I think never take deliberately, that object can be the constitution of the mount of the constitution in the care of power on which the perfection and we denounce the lawless invasion by an armed of the interpretation of the morning and in the sever take deliberately, that object will be frustrated by taking time, but no good object can but the constitution of a single of constitution unimportant of the constitution of the inauguration ceremonies the President variety. The constitution is so constituted by taking time, but no good object can but the dot constitution unimportant of the constitution of the constitution of the inauguration ceremonies the President variety is trated by taking time, but no good object can but the constitution of the constitution of the constitution of the constitution of the inauguration ceremonies the President variety is trated by taking time, but no good object can but the constitution unimports as the constitution of the inauguration ceremonies the President variety is trated by taking time, but no good object can but the constitution of the constitution unimports as the constitution of the constitution unimports as the constitution of the constitution unimports as the constitution of the constitution unimports as the consti White House.

iff was passed previous to the adjournment of Congress. The speaker appointed Mr. Cox, a in place of Mr. Hill, of Georgia, resigned. WASHINGTON CITY, March 4.—Several Democratic members of the late Congress were to-day engaged in drawing up a manifesto to be presented to the leaders of all parties for

heir signatures as a basis for a Union party organization. NEW YORK, March 4 -The bank statemen or the week ending on Saturday, shows an increase in loans of \$2,656,672, decrease
