OIL SHIPMENTS .- The Echo arrived from Franklin yesterday with a full load. She started from Franklin with 263 barrels of oil, from the following wells: Arnold & Drum, 100 Horner, Clawson & Co., 42; Phillips, Frew & Co., 37; Nellisburg, (above Pit hole.) 84; Enterprise, 28; Chartiers Valley, 22. Of this 100 barrels was put off at the Salt Works, near Tarentum. The Leclaire also came down yesterday, but brought no oil, having been unable to get above Franklin Bridge, owing to the

Oil Operations.

arrive last night. NOT GIVEN OUT -It was stated yesterday that the Thompson well, at Smith's Ferry, had given out, having been pumping water since Monday last. We are informed that this superabundance was caused by the removal of the tubing, which it was found necessary to change, and when the well again commenced pumping, a large portion of the product was water. Yesterday the well was yielding oil in

arge quantities. A new company called the Foxburgh (ii)
Company, has been formed in Kittanning, who
intend to commence operations in a few days,
at the mouth of Clarien river, with a sanguine
prospect of having a "good oil well." The

Westermand of Commence of the commen prospect of having a "good oil well." The Westmoreland Oil Company have been boring in Allegheny township, Westmoreland county, since the beginning of the month, on the farm of Mr. John Wood, of Presport, Armstrong county, and have struck as well as the county, and have struck a vein of oil at the

with every indication of oil and prospects of reside near Kittanning. Any information consuccess. A company from New York have cerning her, left at the Mayor's office, will be leased the right to about one hundred acres adjacent to the Westmoreland Oil Company's land. A company from Allegheny city have

boring on the farm of Noel Beck, in North-field, Summit county, on Monday. He thinks the indications for oil are promising. Mr. A. M. Whitaker, of Bedford, has leased sixty cres of the adjoining farm of Mrs. Fell, and is forming a company, and will commence operations soon. The oil fever is raging exten-

E. K. Collins, Esq., of ocean steamship noteriety, about four miles from Wellsville, on Big Yellow creek, put his pump in motion for the first time, on Friday evening last, and had not pumped but a few hours until the "alippery fluid" came forth. The big well at Smith's Ferry was "timed" for twenty-four hours on Thursday, and it was

for twenty-four nours on inursus, and estimated to yield seventy-two barrels. Mr. Rosenthal has disposed of his one fourth to terest in this well for \$10,000 —\$4,000 in hand, and the remainder in monthly payments. Mr and the remainder in monthly payments. Uriah Smith, who owns the land in which this well is situated, sold his eighth interest for \$7,000, and also his eighth in the Patton wall.

Stewart, of Fayette county, with the privilege the company is such that the road can be car of taking out oil, iron ore, coal, and salt. The red through Pennsylvania without issuing an and is situated near Connelleville. It is stated that oil has been struck in a well without delay, and will then be carried through near Blairsville. A correspondent of the Cincianati Commer cial, speaking of the Oil Spring Run Weils, in the Kanahwa district, saye: "A Wheeling com-

sunk some ten or twelve wells. Quite a num-ber are pumped out, and only three or four are shipping from the mines over the Sunbury & producing anything—and only one is of any Eric Ballroad. It is proposed, if the Sunbury great value. All that are now in operation & Eric road is not completed beyond Warren produce, in the aggregate, from twenty to in time, to lay down an independent track t wenty-five barrels daily. A company has free ently been organized in Wayneshurg, Indiana county, who are engaged in boring for oil in the State of Obio

Septiment seized on suspicion of being fitted out as a slaver.

WASHINGTON, March 7.—The War Department to-day received letters from Major Ans derson, dated the 4th inst., but they contain nothing of special importance. He represents that the most friendly feeling exists between himself and the South Carolina authorities. The postal facilities are still open to him, and the privileges of marketing to a limited extent

continues.

General Cameron leaves to day for Pennsyl

vania. He has not yet been qualified, but will return probably on Monday. In the meantime, Mr. Holt, by his request, will continue to discharge the duties of Secretary of War. John A. Jones, of Ill., was to-day appointed Superintendent of Statistics, in the State De-There were numer ins visitors at the Depart. fore the Senate a letter from Mr. Chase resigning his seat as United States Senator from office were filed. The new Cabinet held their Ohio, and asking him to have the kindness to inform the Senate and Governor of Ohio.

Dispatches from flag officer Stribling were

Inform the Senate and Governor of Ohio.

On motion of Mr. Lane, of Oregon, a copy was ordered to be furnished the government of Ohio.

The debate on the Inaugural was remined Mr. Wigfall in reply to Mr. Douglas denied that the former Union now exists. He repeated there is no Union left. The second States will never surely come back under any says, is of considerable importance, and an circumstances. They will not live under the occonsional visit of a man-of war to that Administration. Withdraw your troops:

make no attempt to collect tribute, and enter tries round the China Sea and Japan. The into a treaty with those States. Do this and frequent presence of men of-war is beneficial DENTISTRY .- Dr. C. Sill, No. 246 Penn you will have peace. Send your flag of thirty- to our commerce and our countrymen residing

WASHINGTON, March 7 .- The New Orleans terday, that he had carefully read the Inaugu-ral for the purpose of ascertaining distincely thins Gaiveston advices of the 26th ultimo. and certainly what was the policy of the new administration, and he came to this conclusion missioner Nichels, visited Bruzos, and found that it was the wish and purpose of the Presi- there 26 soldiers under Lieut. Thompson, about dent to pursue a peaceful policy and avoid 30 heavy guns, plenty of artillery stores and civil war. He had arrived at his conclusion amunitions. Capt. Hill had previously withfairly and condidly, and had expressed his drawn the light battery, and a party were on civil war. He had arrived at his conclusion fairly and condidly, and had expressed his gratification at the result. If he had arrived at the conclusion that the inaugural meant rages, and all other available stores. On dewar, he would not have defended it. He was manding of Capt. Hill the surrender of Fort war, he would not have defended it. He was with the President was far as the President was for peace, and would be against him when he departed from this line of poicy.

Mr. Wigfall said, as the Senator from Illi-

of the administration, and therefore he could not speak for it, although he hoped he spoke he same sontiments which animated it and the spoke he same sontiments which animated it and the spoke he same sontiments which animated it and the spoke he same sontiments which animated it and the spoke he same sontiments which animated it and the spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which animated it and the spoke has a spoke he same sontiments which are spoke has a spoke not speak for it, although he hoped he spoke the same sentiments which animated it on this subject. Yet while he was not in its counsels or confidence, he should not tender it his advice until it was asked for. (Suppressed applause in the galleries.) However, if the administration wanted the advice of the Sanate, it could doubtless ask for it: he did not choose the same tender of the same tender of the same tender. From fifteen to twenty-five miles from there, four cerds of quartz, from Horse Fall lead to the same sentiments which animated the advice of the Sanate, it could doubtless ask for it: he did not choose A letter from Fort Wise brings intelligence not regard Mr. Lincoln, the guardian of his that Col. Boone has concluded a most favorathe part of windom to state what his policy dians. It contains special provisions respecting The Rocky Mountain News has published

> three to four hundred per cent. over the old NEW YORK. March 7 .-- A two story tenement house in West Fortieth street was destroyed by fire this morning. Seven persons were burned to death. The victims were Henry Woods, his wife, two sons and three daughters. Mrs. Oakley and her son, and a man Luce were also badly burned: An inquest will be held on the bodies this evening. After the flames had been extinguished, the firemen indulged in a fight. Reeds' gin distillery was siso burned this morning. Mr. Reed the pro

prietor, and two of his men were badly burnt on the face and hands. RICHMOND, March 7 .- Mr. Carlisle in his speech before the Convention against the committee on Federal Relations being instructed to report a resolution pleading the State to resist coercion, upheld the right of the Government to collect the revenue, and said that he had been agreeably disappointed with the tone of President Lincoln's Inaugural. He was opposed to any action that would place the State in a hostile attitude to the General Gov

Orleans 7d, middling Mobile's 64, middling confidence, after viewing the fortifications that Fort Sumpter can be reduced and it wa only a question of time. NEW YORK, March 7 .- A fire at Dundee,

has destroyed 25 dwellings, a church, two one. The loss is estimated at \$100,000, but was generally insured. COMMERCIAL. Bank Note Quotations, Corrected for the Post by Feld & Lare, of the National Bank Note Reporter. (The Reporter is published monthly, at One Dollar
