WILL RESTORE THE NATURAL COLOR OF where age or sickness has turned it grey, and it will render it soft and glossy. "ANYBODY"

Who may try it, will find that it does not color the skin but by stimulating the natural secretions at the roots, gives new life and strength to the Hair, and thus restores its color and freshines. It can be used as freely as water upon the scalp, and with as much safety—is comp sed of oil and stimulaflug spirits, and as an arrunce for the toilet, has no equal. As Read this letter:
