FORT SUMTER TO BE EVACUATED. The Daily Post. Mr. Douglas was right when he said President Lincoln's inaugural address meant

peace. The Gazette was wrong when it TUESDAY MURNING, MABCH 12. cried "to arms,"-the Wide-awakes may ENFORCING THE LAWS. darken their lanterns ; the Journal need not

The impression seems to be growing in take the war path ; for why? Mr. Lincoln the minds of the people that a war between is not going to "hold, occupy and possess the two sections is inevitable. Although we Fort Sumter." The special telegraphic do not regard this evil as by any means correspondent, the reliable "W," dispatches upon its borders, or upon the borders of its correspondent, the remainer w, dispaced by a point is bolicated of a point all ships, boats or navigable tributaries; and all ships, boats or navigable tributaries; and all ships, boats or navigable tributaries; and all ships, boats or navigable tributaries and all ships, boats or navigable tribut not conclusive either way, and such is the decided to withdraw Major Anderson from such regulations as may excited state of feeling which exists, that Fort Sumter as a peace policy, the concilia- authority of law; or under such police regula some trifling and unimportant circumstance tion of the Border States being the alleged tions as may be established by the States within notyet foreseen by any, may cause a sudden reason; but of the avacuation there is no outbreak and set the whole country in a doubt. Orders will be issued on Wedens bass or reasels which may enter the waters of blaze.

day to that effect. "Mr. Lincoln's policy, like that of his pre-The dispatches to the associated press are decessor, seems to be one of forbearance-we do not believe that he wishes for a war. The journe dispatches to the main our telegraphic to the same tenor and effect as will be seen by reference to them in our telegraphic the beginning been conducted by Mr. Jesse of this Confederacy, without any duty or hind-rance except light money, pilotage and other may for any the beginning been conducted by Mr. Jesse may other parts of the said limits any other parts of piece beyond the said limits any other parts of piece beyond the said limits any other parts of piece beyond the said limits any other port or piace beyond the based th He would rather be President of a Union columns. than half a Union, and a war would divide "What do we think of it ?" is the general

the sections forever Neither do we think Colonel Davis, the President of the seceded States, is anxious be thought of. "Knuckle to the South." No to have the issue one of bloody battles. At sir; Mr. Lincoln will do no such thing. He heart we believe he also would like to have will send twenty thousand Wide-awakes to the same shall be forfeited, and shall be forfeited, and shall be aver believe heart will be been be aver the same shall be forfeited. The same shall be forfeited and shall be aver believe heart we believe he the Union preserved. He has ordered his troops to Charleston, but he has prudence and sagescity, and will not strike the first and sagacity, and will not strike the first blow in a civil war if he can help it. He isa should he conciliate them. Let them se-shall forfeit four times the amount of the value wiser and safer man in his peculiar position cede if they like. The North can get along of the duties chargeable on the said gooda, than many others would have been, and he without them."

well knows that an attack on Fort Sumter would be the signal of war, and he will hes is true, that Fort Sumter is to be evacuitate long before he commits the act. If he ated. What then? The "backbone" is bro- where such ship, boat or vessel may be found, does not, the policy of forbearance may yet ken, and the first grand step towards a bring our difficulties to a peaceable solution, peaceful solution of our difficulties will unless some sudden and unexpected out have been made. What next? Will Mrbreak takes place which shall inflame the Lincoln treat with the Southern Commissioners? We should not be astonished at people against each other.

But Mr. Lincoln has declared that he it. And if he does, there will be no war. will enforce the laws, and in the opinion of Mr. Lincoln, when he said he would "holdmany this means war. Mr. Douglas, and occupy and possess the forts," meant that most of the conservative men of both par- he would keep such places as West Point, the say it means peace, but there are certain the Allegheny Arsenal and the like. He drawback of duties, or of warehousing said had no reference to such places as Fort goods, wares and merchandise, as provided by insist, to the utmost of their influence in the Sumter and Fort Pickens and other strongadministration, upon coercion. holds on the seceded States.

To enforce the laws which now stand upon the statute book, does not necessarily imply that there must be a war, although it may and perhaps will lead to that result. of a Union and not of a party. Congress adjourned without arming the executive with any new powers by further

legislation. TIONS FOR WAR. What then are the laws which M Lincoln may feel it his duty to enforce? "collect the revenue and to "occupy, hold and possess" property disimed to belong to the news:
