WILL RESTORE THE NATURAL COLOR OF THE HAIR, where age or sickness has turned it grey, and it will render it soft and glossy. "ANYBODY"

Who may by it, will find that it does not color the skin but by atmulating the natural secretions, at the roots, gives new life and strength to the Hair, and, thus restores its color and ireshness. It can be used is freely as water upon the scalp, and with as much safety—is comp: sed of oil and stimulating spirits, and as an article for the toilet, has no equal.
