A IRON purified of Oxygen and Carbon by combus-tion in Hydrogen. Sanctioned by the highest Molitical Authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of from can be compared with it. Impurious of the blood, depression of the vital energy, pale and otherwise sickly complexion indicate its necessity in almost every conceivable case.

Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following completity. innoxious in all maintes in which thus oese tried, it has proved absolutely cerative in each of the following complaints, viz.

In Debitity, Nervous Affections, Emaciation, Dyspepsia, Caustipation, Darrhaa, Dysentery, Incipient Consumption, Scrofulous Tabernations, Stateman Complaints, Chronic Headaches, Eisematism, Intermittent Fevers, Pumpels on the Face, de. In case of tirking I Desiliery, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would reader credible. Invalids so long bed-ridden as to have send the programment of the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female suffacers, emacuated victims of apparent marasmus, sanguineous exhauston, crucal changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the jaysican has no name. In Newtons Africanos of all kinds, and for reasons familiar to medical men, the operation of this preparation of intermity the recovery for which the proportion of the preparation of the pre Beadache may be prevented; and if taken at the com-
