nue in the Southern ports cannot be collected on shipboard according to law.

Who would have thought a month ago that Abraham Lincoln, Commander in chief of the Army and Navy of the United States, could have decided to surrender Fort Sumter on the demand of the Southern Confederacy? Fort Pickens will go next, and so will all the South. ern forts which have not already gone. Mr. Buchanan said he had not the power to

prevent secession, and the Republican party in present Administration is weak in its ignorance of its own powers.

ment and they did neither. Mr. Buchanan denied the right of secession and Mr. Lincoln has done no more than

Mr. Buchanan never had a particle more States in the South, or to recover possession of

Mr. Buchanan, under the advice of General Scott, the same adviser who now counsels Mr. Lincoln, concentrated all the available force of the army at Washington City, and Mr. Lincoin found when he got there all the power of

policy in regard to secession. overnment. The policy of Republi canism has dissevered the Union and destroyed the power of the government. The administration will eventually agree to the dissolution of the Union. They cannot carry out coercion, they will not compromise, and what else

lic as a separate government. Mr. Buchanan treated the Commissioners from the South merely as private citizens Mr. Lincoln, through his Secretary of Statehas, at least, treated with them for an armistice, and has communicated with them by letter in an official manner.

The Republicans are fast settling down upon the fatal policy of LETTING THE UNION SLIDE.

The New Tariff.

The Philadelphia Bulletin very justly remarks that the bue and cry against the new through. tariff is decidedly anti-American. in a very sensible article in a recent number of that paper it is said that the tariff of duties on to the table. special reference to the prosperity of New the company is addressing himself to it. York importers, who are the only people that have grown rich under the operations of the have grown rich under the operations of the tariff of 1857. The new tariff was arranged with reference to the great industrial interests of the American people, that have long been prostrated by the indiscriminate favor shown by our Government to the producers of other lands. It was not expected that it would delight the London Times, or any other organ of the English manufacturing interests. If it had been the object of Congress to obtain the sumministration, or if he holds had been the object of Congress to obtain the anglesians of the Times. Free Trade would have ping interests, which thrive upon the destruct noticed. tion of all other branches of American

It is a good sign to see England grumbling tuge. - Washington States and Union. at our new tariff, even before it has gone into operation. She discovers that she has lost one of the great means by which her people have grown rich at the expense of the American people. It is a good sign also that the New against the new law, begun in London and knowledge of the community. echoed in New York, is essentially anti-Amer-

Virginia on the Verge. It is said that there are but three votes wanting in the Virginia Convention, to secure AFTER the experience of the past in referclined to follow the example of Arkansas, by the most ardent votaries of that organizaadopt the secession ordinance and submitti to tion, that there is nothing to stimulate the the people. The secession feeling is evidently public to gain another triumph for it. What gaining ground in the Old Dominion. possible good can come of it?

THE POLICY OF THE ADMINISTRA-

The Philadelphia correspondent of the New ork Tribune says : THURSDAY MORNING, MARCH 28

We feel confident that the Cabinet has a clear and definite policy for the emergency, which it may not choose to avow, but which will be acted on bravely and energetically for the peace of the country. In this case, it, triple down, as boarded, at once of the smiss, will be recollected that Hutchmaker purchase.

When a few hours out, the old lady discovered which it would be recollected that Hutchmaker purchase. The country is more purchased, at once of the smiss, will be acted on Mr. Harris of Mr. Harris o still, an i every mercantile interest is suffering.

Color of the class of the that's clever. I always did dislike that that's clever.

expiring kicks. Mr. Lincoln promised to do what he had no power to do, and Mr. Buchanan did not. The that the bulk of manufactured goods heretofore casential to the existence or usefulness of the thing contracted for, and not being within the treets. Her friends, and those of her late husband, contemplation or intention of the contracting and the New England States have wrought and grown rich from a portion of the profits

If then there was no raise or nurchase of the

States in the South, or to recover possession of them, than Mr. Lincoln has had ever since the 4th of March and still has.

| States in the South, or to recover possession of themselves, and be the other, to set up a castle, house, building, rules or elsewhere manufactories for themselves, and be, in future, The occurrence of the common law its other of the states of the new republic, cotton knows who hid that treasure Ar. Lincoln by his acts has given an unquestionable endorsement of Mr. Buchanan's engineers were prospecting with a view of denature, and we suppose it was this principle of nature. The Democrats long ago declared that the South In this latter measure the published Gospel, xiii, 44. But the common law which The Democrats long ago deciared that the sectionalists of the North were the real dis unionists. They warned the country before tons are springing into action, and in a short to the King, as wrecks, strays and other goods
