It is an entirely new discovery, and must not be confounded with any of the numerous patent medicines of the day. It is food for the blood, already prepared for absorption; pleasant to the taste and natural in action, and what one gains he retains. Let all those, then, who are suffering from poverty, impurity, or deficiency of blood, and consequently with some chronic disease or aliment, take of this Bloon Foos and be restored to health. We notice that our druggests have received a supply of this article, and also of the world-renowned by. Earon's lawarita Corbat, which every mother should have. It is said to contain no paragoric or opiate of any kind whatever, and of course must be invaluable for all infantile complaints.
