Che Daily Post.

WEDNESDAY MORNING, : APRIL 10 Calm reflection must convince any man that a civil war in this country would be the bounds of moderation in his cups, said: extremest of all human evils. There are so many bonds of common interest which have grown stronger and stronger with years which must be severed by the commence-

ment of armed hostility between the North

tions of this Union would have little of true ers from the Wes to give them a call

principle on either side to maintain it. There is too much at stake which is mutual to both sections, to permit a war of long continuance to be carried on. However much they may be divided by political senti. save it in something else." States are, after all, one great country. As hostility. The present bitter feeling will

terrible a remedy.

they disappear altogether. Time will show both the North and the South, that family actually erjoy themselves at the cost of anno quarrels are best settled by the paternal cont parties.

The Speaker and clerks are to be commissionable with the speaker and clerks are t by consent of all, has been given to the

the South, and componem to submit. We think he design to place the Government in a condition to defend itself from agres sions upon its legal authority and power. The off coast and its ports, Texas and its afford, they also would become of sterner stuff.

The evil lies in ourselves always. "Oh, save Lorders, and other points of the country, unfortunately, at the present time need armed protection. It is Mr. Lincoln's duty to protect all parts of his Government, is truth—Hunt's Merchants' Magazine.

The evil lies in ourselves always. "Oh, save they finally successful in producing an impression. Their efforts are supposed to have been made under the direction of Postmaster General Blair.—N. F. Heraid.

SHIRT MANUFACTURER,

and we believe it is his intention to do so. We deprecate the exciting rumors of warlike intention, which are now sent broad-litems of the condition of things at Charleston, cast over the country, causing needless ex- Montgomery and Washington city. a permanent dissolution of the Union will, if effected, work against every national inundoubtedly exist. Wrongs have been to watch the movements of the enemy. The people of Charleston all appeared to be in fighting the for seventy years we have found the Federal Union a very good Government, and there is not the slightest probability, attention to the slightest probability, of the Confederal Sister on either Fore Services.

some measure of compromise initiated which shall renew the youth of the American Republic, and not permit its glory to

preservation of the Federal Government. It saks—"Is there a Union party in the seceded States?" Alas for the blindness, which, till now, has refused to be enlighted! There would be no need of asking such a question as this, had the Republicans refrained from their flerce menaces of coercion, in that terribly abused interval between the election and the inauguration of Mr. Lincoln. By threats and denunciations, succeeding immediately to a lill for \$59.68, for gas consumed during the quarter ending May 12, 1860. As the previous bill had been but \$4.05, Messrs. Barney and Brother declined to pay, and as the Trustees insisted upon the reliability of the meter, the City Solicitor commenced suit against the defaulting gentlemen, and the sction was tried on Wednesday, and the jury, throwing aside the evidence of the general correctness of the meter, found a verdict for the city of \$5.—

Philadelphia Ledger.

It is stated that Mr. A. B. Dickinson, of States Arsenal at Watertown, Saturday afternoon for New York.

The reporters know nothing and so they boil over with guesses.

Six car leads of twenty-four pound cannon balls, weighing sixty tons, left the United States Arsenal at Watertown, Saturday afternoon for New York.

BrimOTHY SH Seed just receive and nothing more to telegraphic effervescence, and nothing more to telegraphic effervescence, and nothing more on the reporters know nothing and so they boil over with guesses.
