TO THE PUBLIC.

ESPECIALLY the ignorant and falsely Modest Physician of all denominations, free from secret and delicate disorders, self abuse and the evil effects or stractions common a incident to youths of both sexes and adults, single or married. Because DR. BEARSLEY publishes the fact of his doing so, the ignorant and falsely modest are dreadfully shocked, and thir a great sin, very immoral, and for consummation and corruption among their wives, promising sons and daughters. Their family physician should be cautious to keep them in ignorance that they do the same as DR. BRANSTRUP, (except publishing) lest a lucrative practice might be lost to them among stupid, falsely modest and presumptuous families, born and raised in ignorance, sprung up as mushrooms, and who compare society, intelligent, sense, &c, to dollars and cents, mysteriously, meanly or illy gotten. It is to publicity, however, that numerous parents and guardians are thankful that their sons, daughters and wards, previously feeble, sickly and of delicate condition and appearance, have been restored to health and vigor by DR. BRANSTRUP, besides many before and after marriage through him have been saved much suffering, anxiety, mortification &c. Having the advantage of over thirty years experience and observation, consequently, he has superior skill in the treatment of special diseases, and she is gladly consulted by the profession, as well as recommended by respectable citizens, publishers, proprietors of hotels, &c. Office 85 Smithfield street, near Diamond street. Private communications from all parts of the United strictly attended to. Directly

We give full instructions to enable the purchaser to sew ordinary seams, stitch, hem, fell, quilt, gather, bind, and cord, all on the same machine, and warrant it for three years.
Circulars containing testimonials from some of the highest standing, East and West, giving prices, &c., will be furnished gratis on application in person or by letter.

GROVER & BAKER'S
SEWING MACHINES,
WITHIN THE REACH OF ALL,
Prices Reduced for Seven Years, from $45 to $110, including Hemmers. Increased facilities for manufacturing and the curtailing-at of litigation expenses consequent upon recent decisions of the United States Courts affirming the validity of the Grover & Baker's Patents, enables the company to furnish their SEWING MACHINES with important improvements at greatly

REDUCED PRICES.

The superiority of these machines for family use and manufactures in the same range of purpose and materials is attested by the tens of thousands using them, and the moderate prices at which they are now sold, places them within the reach of all and obviates all excuse for tampering with those inferior and low priced machines which have so much prejudiced the Sewing Machine business. Every machine sold by us is warranted for three years, we also give instructions free of charge to purchasers to enable them to HEM, FELL, GATHER, TUCK AND EMBROIDER, ALL ON THE SAME MACHINE.
Circulars can be had at our office free of charge by applying either in person or by mail.
