REV. EDWARD A. WILSON, EV. EDWARD A. W. Williamsburgh, Kings county, New York. CLARKE'S LIVER PILLS. A Radical Ours! Read!! Read!!!

MR N. U. WALKER-Dear Sir :- For three ears past, I have been severely afflicted with Liver Com-4 of a most malignant and chronic character. orted to a large number of remedies, but they failed to oduce other than a temporary relief. About six months ago, I purchased a box of "CLARKE'S LIVER PILLS," nd after using them, found myself so much better, that

and after using them, found myself so much better, that I at once adopted a regular system of taking them, and muscular entrol to morphisms, constraints of the soon found myself entirely and radically cared. The soon found myself entirely and radically cared. The various alls standant upon a disordered state of the Liver, at once disappeared. I gladly and most cheerfully recommend these Pills as a sure and effective remedy. Yours, truly, WM. AUSTIN.

Chilicothe, O., December 4, 1859.

The above but speaks the voice of thousands who have fully tested the curative properties of CLARKE'S LIVER PILLS. Prepared at first for private practice by an eminent physician, and their merits fully tried, it is not strange they act more efficiently and directly on the disordered organs than the generality of so-called Liver Remedies. In cases of Liver Complaint, Dyspepsa Impurity of the Blood, Constipution of the Bowels General Debility, Sick Headache, and all diseases arising from a disorganized state of the system, &c., are a sure and rever failing remedy.

WILLIAMS' COMPOUND EXTRACT
SARSAPARILLA AND HODIDE POTASSUM—The following Certificate of the virtues of this preparation, is from a well known Physician, from Dickson County, in this State:

CHARLOTTE, Sept. 15, 1852.

MR. B. F. WILLIAMS: Instances are not tare where the attending physician fails to cure well confirmed Scrofula. The following memorandum is interesting:
SUBJECT—A girl of 15 or 16 years of age, the attending Physician had failed to cure. An anxious father had consulted me, and from my knowledge of your preparation, I was constrained to prescribe it. After taking aix bottles she was considered well. She was cured of deep seated ticer and a constant drain of milky matter from one or more sores under the ear. The entire lymphatic system was deeply unovived. This case alone is well worth the attention of all; but when added to a long catalogue of cases of great obstinacy, cured by no Panacea, nor Nostrum, nor Patent Medicine, no Secret, but an invaluable preparation of Sarsaparills, Iodine of Potasia, &c., well gotten up by the Chemist, and made tamiliar to the intelligent physician, it very justly deserves a trial by all laboring under any of the numerous chronic maladies that afflict us.
