OVERSTRUNG

GRAND

WE TAKE PLEASURE IN ANNOUNCING that we have just received one of the in imitable

STEINWAY'S OVERSTRUNG GRAND PIANOS,

and we herewith respectfully invite the public, one and all, to favor us with a call and examine the same. Professional gentlemen have pronounced it superior to any that they have ever played upon. They are soon to be the only Pianos used in all first class concerts, operas, &c., in the country, and in such public institutions as require the very best Musical Instruments and Artists regarding these instruments.

It is under-stood that the principle at present employed has practically tested the improvement in Grand Pianos, invented by Mr. Steinway, in which the covered strings are overstrung across the remaining unisons, thereby obtaining a result and improvement in the tone of the Piano, as fully understood in quality, quantity and power. It is found to stand in tune much longer, requires much more even touch, stronger, and much better proportioned than that required in any other Piano with which they are acquainted. It is the understood regard the improvement (Mr. Steinway as most novel, ingenious and important. Pianos of unusual power and perfection have ever been known of used, so far as the public are aware, to a more perfect degree.

HARD TIMES OUTDONE.

6,000 Blums Amounting to $100,000

WILL BE AWARDED

On the First Wednesday in August, 1861.

THE RAPPAHANNOCK MANUFACTURING COMPANY proposes to raise, by the first Wednesday in August next, a CAPITAL STOCK of $450,000, to be sub-cribed in shares of $20 each; $100,000 to be returned to the subscribers in the form of PREMIUMS, as an inducement to subscribe, and the balance, $350,000, to be applied to the erection, at the new village of Rappahannock, in Virginia, of a Southern Arms, a Clothing and Woolen Factory. The shares can be subscribed in weekly or monthly instalments of any amount to suit the convenience of the subscriber, and receipts will be sent from time to time in acknowledgement of all sums remitted, no matter how small they may be, which may be done conveniently in postage stamps, gold coin, current bank notes, or drafts. Unless than a share of $20 should be subscribed by the time specified the money will not be lost, but opportunity will be given to increase it by size remittances therefor, until enough is secured to obtain a certificate of Stock. But if a share, or several shares should be subscribed before that time, the subscriber will receive a certificate of preferred Stock, guaranteeing to the holder 8 per cent per annum on the par value thereof. All the Stockholders will, moreover, receive semi-annual dividends out of the net profits of the Company, so soon as their Factories are put in operation. Besides the above, the person who subscribes the largest amount, by the first Wednesday in August, 1861, will be entitled to a premium of $4,000; the next largest to $3,500; the next largest to $3,000; the two next largest to $1,000 each; the four next largest to $500 each; the ninety next largest to $80 each; the nine hundred next largest to $40 each; the three hundred next largest to $20 each; the one thousand next largest to $10 each; the three thousand four hundred next largest to $5 each, and the person who fails to obtain either of these, to an extra premium of $1,000, all to be paid in Cash, Real Estate, Arms, Military or other Clothing. Thus, the largest sum, which may not exceed for 21, will take the largest premium of $6,000, and the smallest sum remitted, if not less than $4 75, will secure a premium of $1,000. These shares are all founded upon legal basis, which is pledged for the security or redemption of the Stock, and any shareholder wishing to settle, can at any time exchange his stock for any of the Company's lands at their lowest market value and receive a good and sufficient warranty title.

☞ A few Agents well recommended, will be employed at liberal rates, both to obtain subscriptions to the Stock of the Company and to sell shares on a popular homestead scheme. For further information, subscriptions, agencies, &c., address, with a stamp enclosed, the Treasurer,

E. BAUDER, Port Royal, Virginia.
