It sews equally well on the thickest and thinest fabrics, makes the lock-stitch impossible to unravel, with the essential advantage of being alike on both sides, forming no ridge nor chain on the underside—is simple in construction, more speedy in movement, and more durable than any other machine.
We give full instructions to enable the purchaser to sew ordinary seams, stitch, hem, fell, quilt, gather, bind, and tuck, all on the same machine, and warrant it for three years.
Circulars containing testimonials from ladies of the highest standing, East and West, giving prices, &c., will be furnished gratis on application in person or by letter.

GROVER & BAKER'S
SEWING MACHINES,
WITHIN THE REACH OF ALL.
Prices Reduced for Seven Years, from $110, including Hemers. Increased facilities for manufacturing and the curtailment of litigation expenses consequent upon recent decision of the United States Courts affirming the validity of the Grover & Baker's Co.'s patents, enables the company to furnish their SEWING MACHINES with important improvements at greatly
REDUCED PRICES.
The superiority of these machines for family use and manufactures in the same range of purposes and materials is attested by the tens of thousands using them, and the moderate prices at which they are now sold, places them within the reach of all and obviates all excuse for tampering with those inferior and low priced machines which have so much prejudiced the Sewing Machine business. Every machine sold by us is warranted for three years, we also give instructions free of charge to purchasers to enable them to HEM, FELL, GATHER, TUCK AND EMBROIDER, ALL ON THE SAME MACHINE.
Circulars can be had at our office free of charge by applying either in person or by mail.
