SEWING MACHINES,

Price Reduced for Seven Years, from $40 to $110, including Hemmers. Increased facilities for manufacturing and the curtailment of litigation expenses consequent upon recent decisions of the United States Courts affirming the validity of the Grover & Baker's patents, enables this company to furnish their SEWING MACHINES with important improvements at greatly

REDUCED PRICES.

The superiority of these machines for family use and manufactures in the same range of purposes and materials is attested by the tens of thousands using them, and the moderate prices at which they are now sold, place them within the reach of all and obviates all excuse for tampering with those inferior and low priced machines which have so much prejudiced the Sewing Machine business. Every machine sold by us is warranted for three years, we also give instructions free of charge to purchasers to enable them to HEM, FELL, GATHER, TUCK AND EMBROIDER, ALL ON THE SAME MACHINE.

Circulars can be had at our office free of charge by applying either in person or by mail.
