MR N. U. WALKER—Dear Sir:—For three years past, I have been severely afflicted with Licer Ossplaint, of a most malignant and chronic character. I resorted to a large number of remedies, but they falled to produce other than a temporary relief. About six months ago, I purchased a box of "CLARKE'S LIVER PILIA," and after using them, found myself so much better, that I at once adopted a regular system of taking them, and soon found myself entirely and radically cared. The various ills attendant upon a disordered state of the Liver, at once disappeared. I gladly and most cheering them, and the commend these Pilis as a sure and effectiveremfully recommend these Pilis as a sure and effectiveremfully. WM. AUSTIN.
