HARD TIMES OUTDONE.

6,000 blums Amounting to $100,000

WILL BE AWARDED

On the First Wednesday in August, 1861.

"THE RAPPAHANNOCK MANUFACTURING COMPANY" proposes to raise, by the first Wednesday in August next, a CAPITAL STOCK of $500,000; to be subscribed in shares of $20 each. Payable to be received for the subscribers in the form of PREMIUMS, as soon as the amount subscribers, and the balance, $200,000, to be applied to the erection, at the new village of Rappahannock, in Virginia, of a southern Arms, a Cloth, and Woolen Factory. The shares can be subscribed in weekly or monthly instalments of any amount to suit the convenience of the subscriber, and receipts will be sent from time to time as the knowledgement of all sums remitted, no matter how small they may be, which may be done conveniently in postage stamps, gold coin, current bank notes, or drafts. Unless than a share of $20 should be subscribed by the time specified, the money will be loaned, but opportunity will be given to increase it by like remittances thereafter, until enough is secured to obtain a certificate of Stock. But if a share, or several shares should be subscribed before that time, the subscriber will receive a certificate of preferred Stock, guaranteeing to him a full and fair dividend of ten per ranum on the par value thereof. All the Stockholders will, moreover, receive semi-annual dividends out of the net profits of the Company, to such an amount per annum on the par value thereof, as the above, the person who subscribes the largest amount, (by the first Wednesday in August, 1861,) will be entitled to a premium of $5,000; the next largest to $3,500; the next largest to $1,500; the two next largest to $1,000 each; the four next largest to $500 each; the ninety next largest to $50 each; the nine hundred next largest to $40 each; the three hundred next largest to $30 each; the one thousand next largest to $25 each; the three thousand four hundred next largest to $5 each, and the person who fails to obtain either of these, will receive a premium of $1,000, all to be paid in Real Estate, Arms, Military or other Clothing. Thus, the largest sum, which may not exceed the par value, will take the largest premium of $5,000, and the smallest sum permitted, if not less than $4 75, will secure a premium of $1,000. These shares are all founded upon Real Estate, which is pledged for the security or redemption of the stock, and any shareholder wishing to settle, can at any time exchange his stock for any of the Company's lands at their lowest market value and receive a good and sufficient warranty title.

☞A few Agents will recommended, will be employed at liberal rates, both to obtain subscriptions to the Stock of the Company and to sell shares in a popular homestead scheme. For further information, subscriptions, open clerk, &c., address, with a stamp enclosed, the Treasurer,
