The whole subject was finally referred to a Committee on Credentials, and the Convention adjourned until three o'clock.

HARRISBURG, May 13.—A person employed on special service, who visited Harper's Herry last week reached Chambersburg to day and reports that thero were about 6000 troops there; about three-fourths of them were sized and mostly well armed, but the balance were without arms. Only 200 Here and mostly well armed, but the balance were without arms. Only 200 Kentuchians were there, and but one company, of South Caroli-nians. The resident militia of Harper's For-ry were very restive under the existing cir-cumstances. They had only one day's provis-ions on hand; their supplies, from Western Virginia being cut off by the stand taken by the people of that section of the State. It was-thought the appulses another the state.

thought the supplies anywhere in reach in the surrounding country must be exhausted within wo weeks

It is positive that not more than one thous and stand of arms were got out of the argenal buildings and some of them were in bud con-dition; not more than twelve rifles can be manufactured per day in the shops in opera-

There are only 600 men on the Maryland side of the Potomac They have, net, relied any batteries on the bank of the river, and show no disposition to erect any. They must retrest or be provisioned. This, however, does not contradict the probable advance of the main Confederate army on the Southern Pennsylvi-nia route when they discover the impossibility of breaking Gen. Scott's lines around Washirgton.

and Harper's Ferry, under the orders of General Oocke. march towards Harper's Ferry, was only a ruse, to blind and deceive our officers. It cannot be possible that the South, with such forces at their command, would abandon Alexandria, which is to them so important a position. It is, in fact, the key to Washington. Let the outh hold Alexandria, and fortify Arlington Heights on the north, and they could cannon-ade and demolish nearly the whole of Wash and shit denotion hearly the whole of WASh ington city. At the same time the Southern army, under cover of this fire, could rush to the attack. But on the other hand, let Alexandria and Arlington Heights be occupied by the United States troops, and a successful at tack on Washington would be impossible. It is probable that the Virginia troops did go om there to Harper's Ferry, but that three times as many Southern troops are either now in Alexandria or are ready to occupy the place. and that they will hold it until they are dislodged by the United States troops, after a hard Biruggie. FORTIFICATIONS AT FREDEBIOKSBURG.

The same gentleman referred to above insmall cost. formed me that when he passed through Frederickshurg the troops there, assisted by several bundred negroes, were throwing up earthwork atrenchments of considerable extent and wst strength. They had plenty of cannon arected, command all the approaches to the self besides. The negroes were the town working with a will and were in good spirits. The reports of a searcity of provisions there were entirely (unfounded. Provisions of all kinds were abu Edant and good.

all divided into different cine-es, esces, etc. For instance, busily engaged during his leisure hours in with a handsome sword and sash by some per-sonal friends. Dr. J.
