On Thursday came in from Alexandria, was the intention of the rebels to attack advance of four thousand rebels from the the city within the city wi the city within twelve hours.

there and fortifications were being rapidly moving into the interior, it was thought thrown up on the approaches from Manas sas Junction and Richmond. The reports less than four hundred and fifty elave of the number of rebel troops at Manassas including women and children, had fled is said that General Scott and General Mc report that a general uprising of the Dowell have positive information of their number, and that it does not exceed 2,500 earth works erected there by the rebels commen, and moreover that their discipline is

Harper's Ferry continues to be the seat of highly important military movements, and it is highly probable that decisive action will be taken there within a few days. Three brigades of Ohio troops were advanced in that direction on Thursday by Gen. Mcthird and Twenty-fourth-left Philadelphia men of high standing have expressed the of that department, and General Lyon ap opinion that he will take possession of that pointed in his place. point within ten days without loss of life .--There cannot be less than between 20,000 and 30,000 federal troops in the immediate vicinity at present, the advance posts extending to Grafton.

It is stated that the proprietors of the vicinity at present, the advance posts extending to Grafton.

Utah, except the portion of it lying west of the 117th degree of west longitude. Headtending to Grafton.

It is said that the recel forces there are greatly alarmed by the approach of the dollars in one draft.

The base there are safekeeping and investment—ten thousand dollars in one draft.

Selection of the service. Ohio and Pennsylvania troops. They have will be no escape for Harper's Ferry.

The rabel troops around Fort Pickens still an attack, but we are of the opinion that weeks, it is said, and much more no doubt the idea has been, as we have before stated, altogether abandoned Columbiada are how-

at Fort Pickens, after all. The telegraph as published in this mornings paper brings us news of the movements of the troops up to Saturday night.

There are now ten regiments at Cham-

naval flotilla. On our side no one was killed or wounded, although quite a number are supposed to have been killed and wounded among the rebels.

day evening further particulars of the rebel

fantry force consisted of only forty-five

Our troops met the picket guards of the rebels at a point about four miles this side tempt to secure them. The pickets fled and conveyed the alarm to the rebel camp. Our cavalry then charged into the town, encountering a vigorous resistance. They were fired at from the houses on both sides of the streets, and from all quarters of the

Lieutenant Tompkin's horse was shot under him, and in falling beneath the animal, the Lieutenant's ankle was sprained. The cavalry were finally completely enclosed by a company of rebel infantry, who

beset them in front and rear, and poured in volley after volley, upon them. Lieutenant Tompkins and his men final-

ly fought their way out, bringing with them no less than seventeen rebels as prisoners. All of these except five afterwards escaped, but the five were safely brought in. One member of the cavalry was killed and two others were wounded.

Some of the staff officers of the Fifth Regiment of New York were with the federal troops, and several were wounded, but none

It is reported, on the authority of Lieut. Tomplains, that not less than thirty of the rebels soere killed.

The force of the enemy at that point was about fitteen hundred men. When the at- county. Michigan, ere to come to New York tack was made it was not supposed that and join General Sickles' brigade. This fest of arms is considered very gal. a month extra pay to married volunteers, lant, and the conduct of Tompkins is high. but nothing extra to single men.

It is confidently stated that Gen. Scott with a view to occupy Richmond be-Hinchesies and Strasburg by the turnpike there is no doubt that numbers of fugitive delections and requesting his continuance in road from Grafton, avoiding the line of the live will seek protection in the federal camps. BHERLE BYGHES.

MONDAY MORNING,.....JUNE 3. river. A strong force will be collected in service at the different points, which may be American question still actively occupies the Jnionista there.

The New York Herald of Saturday says: The Sixty-ninth, Eight and Twelfth New manded as follows: The Sixty-ninth, Eight and Twelfth New York regiments are likely to have a brush with the rebels to-dsy, and it is not at all improbable that an attack will be made on Alexandria. The regiments referred to had advanced six miles back from Washington behind the Heights of Arlington, and were under orders to push on to Fairfax Court. House this vanced six miles back from Washington be orders to push on to Fairfax Court House this intelligence to the secession residents of morning to drive out a body of fourteen hunthat city to leave the place forthwith, as it dred rebels who are in possession there. An

dris last night, and the federal troops wer Information was subsequently received by Gen. McDawell that Col. Lee was advancing with twenty-four thousand rebel troops with twenty-four thousand rebel troops arriving, the garrison tow amounting to thir arriving, the garrison tow amounting to thir thousand many and large bodies were upon Alaxandria. Great activity pervaded teen thousand men; and large bodies were the intention of making for Norfolk by reuitous route. Up to Thursday evening n Junction are varied and conflicting; but it into General Butler's camp, and they

population was expected.
From Manassas Junction we learn that the imperfect, and their outpost and picket ed that the secessionists had ceased the work service very irregular.

Ferry, for about four miles, but it was rumoried that the secessionists had ceased the work yesterday. There are said to be 12,000 men
