manner of his death, says : A statesman has fallen in the land. The morning, the Hon. Stephen A. Douglas, of sippl, will themselves be grand-induced with Illinois, closed his mortal career. His health gold headed canes, nay,—the Father of had given way soon after his return to Chi Waters himself will have hushed his roar cago; his disease assuming at first the form of ing torrents, and eternally dried up before acute rhuematism. Subsequently, the disease took the form of typhoid fever, and finally this bread cast upon the waters of rebel involved the throat and bowels. During the lion will have returned to them, the saddest earlier stages of the disease, and while he was of penny loaves. uffering the most scute pain, the Judge conversed with his many friends who called to ex press their sympathy in his affliction, in the most cheerful and pleasant manner. His iron will and masculine powers seemed to defy the inroads of disease, and gave hope to his friends of an early recovery. But the inexorable genius of decay was doing its work but too

The iron frame, which had for thirty years borne fatigues and toils that would have worn out the lives of a score of ordinary man, and the lotty and unbending intellect which had not known repose for years, gave unmis-takeable evidences of approaching dissolution. At one time, after great apprehensions had exere again entertained that the hour of danger had passed, and that he would still be spared to his friends and the nation. The hope was vain It was but the last flickering of the lamp of life. His desease again took an unfavorable turn, and he sunk rapidly and steadily until death closed the scene. All that science and medical skill could do—all that patience, love and devoted friendship could do—was done to retain him on earth a little longer.—
His family physician, and his relatives from Trip said that the intention of General army but to fall back on Manassas to long as there was a possibility of antiling the trouble peacefully, every sacrifice was made and proposed, and now, when the question is to be transferred from the Washington, had come on to testify their de. Washington, and to join the general anxiety and ef. Lee was not to engage the federal troops thing but divil was must now be recognized.

We publish this morning his last speech. It is the emenation of a great mind which was ready to make all personal sacrifices for the direction of Fairfax and Manassas Junc-
