MOVEMENTS OF THE WAR. Reliable information has been received at Washington that Southern troops are arriving at Richmond to the number of nearly fifteen hundred a day, by train, some of whom are immediately despatched to Manassas Junction and some to Norfolk. The number of troops oncentrated at these two points must thereore be very large. It is positively stated by s gentleman who is familiar with the person of General Beauregard, that he is now at Manas as Junction, but it is evident that there is considerable mystery as to his whereabouts. A few days ago he was reported to be near Memphis,

there has been a greatfailure on the part of certainty that he has assumed command at leaders proposed they should do. The peolissued at Charleston, after the capture of Fort ple don't like the way the arrangements Sumter, he announced his intention to repair are going on. In hundreds they are desert- to Corinth to take command of the department ing from the rebel ranks at Harper's Ferry, of the Mississippi. THE SUBSCRIBERS HAVING BEEN A HE SUBSCRIBERS HAVING BALL.

authorized by the Governor and State Treasurer
o procure bids for the Loan recently suthorized by the
legislature of Pennsylvania, would respectfully appeal
to the particulum and State pride of Pennsylvanians in
this heur of trial, that they come forward and manifest
their love of the old; to minosyreath by a prompt and
cordist response to her call,
But independent of any motives of patriotism, there
are cognifications of or fundament which may be considered in reference to this Loan: the is a Six per cent.
Loan, tree from any taxinon shatever, and binders can Loan, free from any datasets of size, the have the privilege of taking Ceruminuse of \$20, the have the privilege of taking Ceruminuse of \$20, the \$50, \$1,000; or larger some, and either coupon or tans, terable loan. A speed-lar, amounting to about Three Hundred Thousaid Dollars per annum, is by the Loan Bill levels, and little, he applied to the payment of the interest on the Loan, and to the payment of the interest on the Loan, and to the payment of the interest on the Loan, and to the payment of the interest on the Loan, and to the payment of the interest on the Loan, and to the payment of the surprise of the larger than the payment of the larger than the l my but an commercia use it is distantement; as will be money, and thrown around its distantement; as will be seen by the americal card of the State Treasurer, the next statisfactory catchers and grands. The number of purpose statisfactory within the State is now nearly process and the state of the state

WE HEREBY GIVE NOTICE TO ALL TO CONTRACTORS FOR SUPPLIES those who may be contrasting to furnish supplies to the sible; mole the recent appropriation of three millions, that, having received the power under that Act of appointing Imprections it all supplies, and other power under the contrast of the power under the power unde

claims, and the inspection to me impute that character, which shall savent say, impedition upon the flate, and per test the rollinity who have so noble responded to the fall; with no supplies will be paid to mid they have been unspected by affects who sha have been duly appointed for that purpose. THOS. R. COCHBAN, I francest. Auditor General.

BUSINESS CHANGE, Having this day purchased the entire stock of Grocenies and Liquors from D. R. Gall.
