> WASHINGTON CITY, June 14 .- The Government finds itself seriously embarrassed in the management of the present military cam paign by the premature publication of sufficient information to disclose its purposes to the public, South, as well as North. Portions of its plan for the movements of the troops have thus been made known, and the rebels

have thus been made known, and the rebels enabled to frustrate the successful execution of them. In consequence of this, it is no longer disposed to allow this to be done, and yet it is unwilling to exclude the Press from the advantages afforded by the telegraph, and therefore it is reluctant to absolutely prohibit the transmission of dispatches for publication.

In view of this state of affairs, it is suggested.
