TO THE PUBLIC.

ESPECIALLY the ignorant and falsely Modest Physicians of all denominations, treat secret and delicate disorders, self-abuses and diseases of a private nature, common & incident to youths of both sexes and adults, single or married. Because DR. BARNES publishes the fact of his doing so, the ignorant and falsely modest are dreadfully shocked, and think it a great sin, very immoral, and for contamination and corruption's sake, their wives, parents, sons and daughters, their family physician should be cautious to keep them in ignorance—that they in the same as in DR. BARNES, (except publishing) and therefore practice might be lost to them among stupid, falsely modest and presumptuous families, learn and travel in ignorance, sprung up as mushrooms, and who compare society (falsely so called) sense, &c., to dollars and cents, mysteriously, shall go or lily broken. Hence publicity, however, that numerous parents and guardians are thankful that their sons, daughters and wards, previously feeble, sickly and of delicate constitution and appearance, have been restored to health and vigor by DR. BARNES' HUP, besides many others and after marriage, through him have been saved much suffering, anxiety, mortification &c. Having the advantage of over thirty years experience and observation, consequently, he has superior skill in the treatment of special diseases, and who is daily consulted by the profession, as well as recommended by respectable citizens, publishers, proprietors of hotels, &c.
