SEWING MACHINES, WITHIN THE BEACH OF ALL. Proces Reduced for Beven Years, from \$45 to \$110, including Hemers. Increased facilities for man-ifacturing and the curtainment of lungation expenses consequent upon recent decisions of the United States Courts affirming the validity of the Grover & Fakters to's patents coables this company to furnish their BEWINts MACHINES with important improvements at greatly REDUCED PRICES.

**REDUCED PRICES.** The superiority of these machines for family use and immulactures in the same range of purpose and ma-terials is attested by the tem of thousands using them, and the moderate prices at which they are now sold, places them within the reach of all and obviates all ex-curse for tampering with those inferior and low priced machines which have so much prejudiced the Sewing Machine businessa. Every machine sold by us is war-restied for three years, we also give instructions free at charge to purpressers or enable them to HEM, or TBK CAME MACHINE.
