Che Daily Post.

TUESDAY MORNING,....JUNE 25, 1861 OFFICIAL PAPER OF THE CITY

LET TRUTH HOLD THE BALANCE. The sympathies of partizanship are deep they behaved, in their former calm and sober seated. Men more naturally affiliate with moments " those who have been with them in the political predilictions.

was not a resort to arms to obtain redress of those who now control the power of the of Fairfax. against any legislative grievances which government

an unprincipled majority had inflicted upon the Union; no grievance endured-no unjust restriction imposed-no right denied -no wrong attempted on the part of the Government has led to this armed resist-

Sumter The obvious design of the rebel leaders of the South to destroy the government by the whole power at its command

the Democratic party at once adjourned all gratifying personal and political favorites ence as a government and our existence as a nation, depended upon the overthrow of

The political opponents of Democracy held the power of the government, and simple justice without magnanimity required of them that in the management of power, especially if this power becomes in ville. the government during this war the influ- any degree partizan? Already we hear ences of politics and partizanship should be some people talking about the necessity for atterly and entirely excluded. The De- a "stronger Government." What do they

aracy forgot and forgave the differences their old opponents in the patriotic cause of asserting the authority of the laws and compelling submission thereto. But in doing this they gave up no opinion, yielded no principle. But the party in power does not appear

to have acted with equal magnanimity -Their newspapers continually speak of "no party" in this great contest for the Union. but when matters come up for dispensation in the power of the government it is evident that the old party leaven of the Re publicans exercises a paramount influence. Democrata fighting for the Union and devoting their every energy to sustain the government are manifestly not quite equal to Republicans vet. The old prejudices, the old affiliations, the old combinations. the old influences which ruled the Republican leaders as politicians have not disappeared since they have assumed the con-

trol of the government. That which would be all right in a Rea man has a right to say that this war is to be regretted, that it is costing the nation its prosperity for many years; that it is a war for the preservation of the Union and the South cannot be starved into submission, and that there are good Christian men in the South as well as in the North. Even the apparent design of General Scott overwhelming force, with as little bloodshed and as little injury of property as pos- writer says: sible, seems to be distasteful to many -They seem to forget that while it is the South to submit, it is also its duty to pro- un-

tect the South. a Republican war. It is a battle for the preservation of the best government the world ever saw, and Democrats have as provisions have been exceedingly scarce among thom, and that they (the disunionist soldiers) much interest in the result as Republicans. are grambling terribly on that account, They are fighting for the preservation of well as because Gen McDowell does not attack the whole Union; they ask only of their tack his (Gen. McD's) army. methren of the South to submit to their clain duty and put a stop to this suicidal arfare which prostrates business, creates with and will burthen the people with

We have had three months of tremen-And excitement, and it is perhaps as well United States Army. now to reconsider for a moment where we are and the point from which we have re and the properties answer to these Eelectic Magazine of foreign literature for started : A symbol in a recent number of the same month, have been received by the New York Journal of Commerce.— Hunt & Miner at the Great Periodical De-

The editor remarks: Three months ago the immense majority Americans in the North believed and advoent of the Southern Confederacy was prefer-ble to w'r. The leading republican newspaer in this city even pronounced the right of of the company.
he Southern States to establish their own form Hunt & Miner government to be as clear as that of the American Colonies to revolt from England in 1776. The same paper declared that Fort Sumter was only built for the protection of

of the fort. The universal American mind she does, and North Carolina with her, what Why, I am not a fool; if so large a edge them." Truths are emnipotent. That is truth to day which was truth a month or three months ago to day. What process will men's minds have to go through after the late

convulsions? How many osciliations shall we see, before they settle back upon the truth been against them. In a crisis like that pursue the worst of policy if it permits parchis now convulsing the country, mens' | tizan friendship, and partizan prejudices to paramount over personal friendship and vided and distinctions between them of a political character, must be altogether This Southern rebellion is not a mere avoided. The Democracy will not seek to

In seeking for men for the public service a minority residing in a different section of qualifications and not political opinion should rule. There is danger that this rule will be broken by those who have the least right to re-create partizan issues We have regretted to see the Senatorial of to constituted authority. It has been position of Judge Douglas filled by a par

caused by politics not by principles. Reck- tizan appointment; we regret to see the less, unprincipled and ambitious politicians | partizon jealousy which the Philadelphia in the Southern States have for years en. Republicans exhibited when the name of tertained the deep seated design of break- a distinguished Democrat was mentioned ing up this Union. For years they have as a candidate to succeed E Joy Morris it kept the people in ignorance of their true | the Second Congressional District, and we interests and have demoralized them to regret still more seriously to observe that their own low standard of respect for law a very large proportion of recent appoint and government. It has been their design ments in the army, and nearly all the apto construct a new government upon prin- pointments in the volunteer service have ciples directly opposite to those upon which | evidently | been made out of political | rea this nation has prospered and grown so sons. We do not say mere partizan reagreat. They organized the rebellion by sons have influenced the appointments but that vicinity deceiving the people as to the intent of the Political reasons. There are men of all

government in regard to their rights and parties among them, but political promaconsummated it by firing upon the flag at nence or friendship of prominent politicians Butler for some time. Commodore Same has secured these appointments - not personal merit or real military qualification. A few hundred places were to be filled and rendered it imperative upon that govern- there were over ten thousand applicants effectile. He says two soldiers, who since e ment to frustrate and crush this rebellion for these places, all backed by political influence and personal importunity. Shall Forthwith, at the call of their country, the people be sacrificed for the sake of political issues; forthwith they put out Must men who have done the party service the fires of partizan contests and from their | be still preferred to those who are most fit serve the Union? Is this war to be made are about six hundred men at Sewell's man's duty to sustain the government and its officers are selected by the rule of poli uphold the constitution and the laws As ties and not of merit, may it not reason loyal Americans they saw and felt that our ably be apprehended that in the course of future peace and progress, our independ. events it may become sufficiently strong to become the dictator of the people. After the Revolution, the continental army offered the Commander in Chief the title of King; is there no danger that the power of government, may leave the hands of dently exists there to crush out rebella the people and be usurped by the military by raper and decisive movements, which

mean? If this government sustained by and personal animosities which a free people crushes out this rebellion. olitics had engendered and joined with is strong enough. If standing armies be come a necessity, arising out of this war in the words of one of the framers of ou Constitution, " the people, to become more secure, must be willing to become les

We want no better security than cur own Constitution if our rulers obey it, and inforce obedience to it. We want no less met be watchful of their rulers and the ress, independent in speaking of them must not be permitted that the governparty by its power to the detriment of the whom the people have placed in charge of all soon disappeared. the government must rise above partizanship and political friendships, and regarding every true Union man on the same

footing, dash aside importunates and work publican would be treason in a Democrat prudent, sagacious, espable and reliable The war newspapers do not seem to think men in every important position, without regard to their previous political affiliations, and without listening to the pleas of parti zan friends to have their friends provided for at the hazard of mens lives and the not for the extinguishment of slavery; that public safety. For the present let every oracle of a political character be dumb. THE REBELS CONCENTRATING The Washington Erening Star of Saturday evening is received a letter giving informi

to compel submission in the South by an tion that the Distinct matter giving information a battle. It is dated 22d, 113 A. M. Tho "This morning, we have information fr

three or four different persons whose means of duty of the government to compel the House I regard as being reliable, that the disits arejuliw in large force in, between and and Germantown and the (Fairfax) Cour They all agree in estimating the force This war is not an anti-Slavery war nor which westbere yesterday at quite ten thousand strong, and it is insisted that Beauregard commands there in person.
I learn, turther, that for forty-eight hours provisions have been exceedingly scarce among them, and their own commander will not at As cautious as I am in placing confidence in rum as floating around here I am sure that bill of the larger denomination. They

was averse to the idea of war.

Even among men who favored a war against it is probable that Col Curtis' Iowa regiment, The St. Louis Republican, of Saturday, 3438 the cotton States, it was common to hear conversation like this: "If Virginia secedes, are you in favor of war?" "Virginia will never secede; you cannot kick her out." "But if upon Lexington from Kansas City. They

masses collecting at Lexington. From the N. Y. Bereld of Sunday.

THE WAR. No change in the position of the troop around Washington took place yesterday But this rebellion must be crushed out, although the greatest activity still prevail field of politics than with those who have and in doing it, the Administration will among them. The pickets have been doubled, and scouting parties are continually thrown out to make reconnoissance in that portion of the country lying between minds must cease to be influenced by their influence its councils or its action. The the Chain Bridge, Vienna and Alexandria feelings and the general good must become friends of the government must not be di- Some parties despatched to scour the country from Ball's Cross Roads to Fall's Church failed to discover any rebels in that direction, and it was thought that the forewhich occupied Vienna the day before had temporary outbreak against the laws; it do this and if it is done, it will be the fault fallen back to a point two miles in the rear

Beauregard was at Fairfax Court House on Thursday, and was heard to recommend a system of guerilla warfare by sudden attacks on the outposts of the Union army, and by assailing our troops from ambuseade and masked batterries. This is in accord ance with the policy here ofore pursue by the rebels at Bethel and Vienea. The forces of the rebels are said to be quite dis-atisfied at the inactivity in which they are kept, and are thirsting for the plunder they hope to gain by the capture of Wash

York regiment had a brush yesterday morning about daylight with some of the coran lour of them are said to een wounded, but the result of their tire pen the chemy could not be used thomas his brave Indiana regiment had a conrounded at Cumberland appear to be true. It is said that he occup-

and well fortified position on the buil-Monroe, and it is not expected that div ! ward movement will be made by trenets ham arrived at Washington from the Fort ress yesterday. He speaks in the highest terms of the firing of the gun from the Rq Raise at Sewell's point with Sawver's 1919 caped from the Point and took refuge on board the Minnesota, report that the pr guns, and the distance was nearly thre miles, and perfectly amazed the rebels, and

empelled them to move back their bat The two soldiers who escaped belong ed into service in Georgia. They say there state that there are only about lifteen thousand men about Norfolk, and not mor han five hundred of them are armo-They say that the general complaint in th South is that they have not muskets. Titles and other small arms enough The action of the Union army in Mission nibal has been taken possession of by Gen eral Lyon's troops and a determination evi have commenced at the battle of I

seventy killed. A private letter from a member of eventeenth Pennsylvania Regiment (Frank Patterion's,) as published in th Philadelphia Bulletin of Saturday after on from which we extract the following "Poolsville, Mr., June 20 Our ob et in marching here seems to be accounlished -Harper's Ferry is abandoned ren Patterson from Frederick, Cadwala threatening Leesburg in the rear, were t erry, about four miles from this place

ler from Williamsport, and our division "The enemy attempted to hold Edward of officers attempted to cross Goose Creek ment, because it is now in the hands of on the opposite side in a scow.
