them, is simply a mistake. The whole of Mexico, which crowned the American arms with glory and conquered tual one of facilitating the disbursements of the Government and the accommodation and convenience of the public. The notes of circulation will be receivable, of course, for customs, public lands and all other dues to the

Interesting News from the Rebel States. respondents, unmerited and unjust as The Charleston Courier suggests that they are, will neither hasten nor reagents be appointed to receive subscrip tard his progress, nor prevent him from tions of rice and other Confederate pro- marching to victory when he does The New Orleans Delta says that the New York marine insurance policies cover the lesses by pirates and not by This officer, who commands the Fed-ta privateers; therefore, if the Northern eral forces in Western Virginia is

will be liable. A special dispatch from Richmond, dated the 9th instant, says that several rope on a military commission a few prominent prisoners, who were hitherto years ago to examine into the science of on parole, have been confined because war in the camps of the great powers of the action of the Federal authorites in the Crimes; afterwards resigned to relative to the Souther privateers.

The Charleston Courier tells its country readers' to save their goose quills, as the stock of steel pens will bon give out. The New Orleans Delta, of the 11th inst., says that "the further persistence | this into the regular army, by the Presiof the Confederate States in endeavoring to obtain a recognition of our nationality is useless." It also says that sents a very youthful appearance. the British Ministry has not the courage

nor inclination to apply to the Con-CHNESS OF FABRIC, AND STYLE do the idea that France and Ingland would break the blockade to get Souther property of the fore opened in this city, and would perpectfully solicit ar early call from our patrons and the public to examine the same for themselves. Confederate States abroad.

The Drummond Light. We announced some time since that Professor Grant had been employed by the government to erect one of his powerfur daldium lights at Portress Monroe, in order to shed light on any noc turnel schemes that might be undertal GENERAL COOPERAGE, ken in that quarter. This is the most brilliant of all artificial lights, and will serve as a valuable agent even in

War. An improvement in the arrangement of the lime-points has lately been patented by Prosser & Stanley, of Loudon, for opposite one an ther, towards the jets of flame, and they are made to converge towards a common center by being gradually pressed forward with a spring or weight, to keep the points in contact when the flame impinges upon them. These lime cones are retained in tubes,

THE DATLY POST:

MAJOR GEN. ROBERT PATTERSON: Major General Robert Patterson was at born in Ireland in 1792, and emigrated to to this country when quite young, tak-it. ing up his abode in Philadelphia. Heath The inquiry has been made as to received a collegiate education, and what portion of the Treasury bills and early manifested military inclinations. notes under this Loan Bill are made After graduating at college he was appeared payable and receivable for the public pointed First Lieutenant in the Twenty dues. The New York Tixes says the discretion of the Department is left fantry; in April, 1813, he was transferfree in paying out either the 3-year 7.30 red to the Thirty-second Infantry ap bills. The more temporary 3.65: bills, pointed Assistant Deputy Quartermaster (which may be subsequently converted General (with the rank of captain) into the 7.30 denomination,) or the January, 1813, and Captain-in-line, notes of circulation without interest, in 1814, and thereupon relinquished rank Under Care of the Franciscan Brothers.

In Loretto, Cambria County, Pennsylvan nia, four miles from Crosson Station, on the direct route between Philadelphia and Pittsburgh, was chartered in 1888, with privileges to confer the usual Collegiate Honors and Degrees. The location of the Gollege is one of the most heatity in Pennsylvania - this portion of the Allegheny Mountains being proverbial for its pure water, and the use of the notes of circulation by all disbursing officers, in place of specie, would seem to be unlimited, so long as the redemption of the College is one of the most heatity in Pennsylvania - this portion of the Allegheny Hountains being proverbial for its pure water, the subsequently followed the profession of the law in his adopted city, and for many years was connected with the military of Philatistaken care of at one or the other of the principal Sub-Treasuries of New York, Philadelphia and Boston. The subsequently followed the profession of the law in his adopted city, and for many years was connected with the military of Philatistaken care of at one or the other of the principal Sub-Treasuries of New York, Philadelphia and Boston. The subsequently followed the profession of the law in his adopted city, and for many years adopted city, and for many years appointed with the military of Philatistaken care of at one or the other of the principal Sub-Treasuries of New York, Philadelphia and Boston. The subsequently followed the profession of the law in the subsequently followed the profession of the subsequently followe all contracts, settlements, &c., with the in the staff. He retired from the army

> GENERAL SCOTT AND GENERAL PARTY TERSON. Some of the Washington at correspondents of the New York press are still snarling at General, Patterson, dovernment, and we find authority for the receipt as each of no other bills under this measure, before their matu-thorough and too experienced a soldier thorough and too experienced a soldier under this measure, before their maturity, as in the case of the present outstanding Treasury bills under the old laws. Such, at least, is the reading of the Loan Act as it passed the House of Representatives. With the ample protection of the reademation and receipt. visions for the redemption and receipt has planned his campaign knowingly of of the notes of circulation, and for the and deliberately, and he does not in an conversion of the 3.65 per cent. bills at tend to be turned sside by any factions e end of a single year, (or in less time popular clamor. He is confident of the if so dated,) into 7.30 per cent. bills, it result; and certainly the opening of was not desirable that the customs revenue should be otherwise interfered with. The effect upon the present six Patterson, in his various movements; of per cent. Treasury Bills, of two years advance and retreat, has so far acted date, is to advance their value to about under orders from the headquarters sof the Army, and the censure and remarks

MAJOR GENERAL McCLELLAN Courts condemn the Southern priva-teers as pirates, the insurance companies Chellan, of Philadelphia, who died a few years ago. The General is a West Pointer, fought in Mexico, went to Eubecome Vice President of the Illinois Centeral Railroad, and then accepted the Presidency of the Ohio and Missis. sippi road, from which he was called by Gov. Dennison, of Ohio, as Major General of the Ohio volunteers, and from dent, to accept the position he now holds. He is 34 years of age, and pre-
