Is IT TRUE? - The Cairo correspondent of the St. Louis Democrat, has the follow ing, which we give merely for what it is worth: "The steamer Dacotah, Captain Hendrickson, from St. Louis to Pitts burgh, was charged last week at headquarters with an act of bad faith. She had on a large lot of oats, corn and other produce, estensibly for Illinois. This produce is said to have been landed, in order to dodge the blockade on the Illinois side, opposite Paducah, and it was charged that the clerk of the bost went over to Paducah and collected the freight bills. The produce was then smuggled into Paducah at night by the ferry boat. Should the Dacotah comback to Cairo, the matter will be investigated before she goes further."
