The conspirators of the South read

atmosphere of light that can never grow of its leaders; they read, too, that the dim. Surrounded with his little band, of the Slavery agitation, on which they housands of traitors, the fires upon the had so often rode into power, could no longer carry them beyond a given geographical line of our territory, and that in truth this factious and treasonable agitation, on which so many of them fires that was kindled that conflagration had grown great by debauching and denationalizing the mind of a people and breadth of the land. Brave among naturally generous and patriotic, had run its course, and hence, that from the national disgust for this demagogueing, and from the inexorable law of popula-tion, the time had come when all those that exalted position in the affections who had no other political capital than and confidence of the people that he this, would have to prepare for retirenow enjoys; and while none have had ment to private life, so far at least as better opportunities of knowing this than the highest offices of the country were myself, so am I sure that none could concerned. Under the influence of have a prouder joy in bearing testimony these grim discouragements they reto it than I have to-night. our political history shows to have been since, in another form, I ventured freely a long-cherished purpose-the dismemto express my views upon those tragic | berment of the Government. They said events which have brought sorrow to to themselves: "Since we can no longer every hearthstone and to every heart monopolize the great offices of the Rein our distracted country, and it is not public as we have been accustomed to my purpose on this occasion to repeat do, we will destroy it and build upon those views, or to engage in any ex- its ruins an empire that shall be all tended discussion of the questions then our own, and whose spoils neither the examined. It is not necessary that I North nor the East nor the West shall should do so, since the argument is ex- share with us." Deplorable and huhausted, and the popular mind is perfectly familiar with it in all its bearings. miliating as this certainly is, it is but a rehearsal of the sad, sad story of the ST. CLAIR STREET.

I will, however, with your permission, past. We had, indeed, supposed that submit a few brief observations upon under our Christian civilization we had the absorbing topics of the day, and if reached a point in human progress, I do so with an earnestness and emphasis due alike to the sincerity of my convictions of the sincerity of my convictions of the sincerity of the sincerity of my convictions of the sincerity of the sincer spring; but the Catalines of the South have proved that we were mistaken. will be offended, not even those who Let no man imagine that because this rebellion has been made by men

hostile array, threatening the capture subverted the best governments that of the Capitol and the sismemberment have ever existed. The purest spirits of the territory of the Republic; and that have lived in the tide of times, the could he look again and see that this noblest institutions that have arisen to army is marshalled and directed by officers recently occupying distinguished places in the civil and military service whom they had most confided, and of the country; and further, that the States from which this army has been them unto death, or openly to seek their drawn appear to be one vast seething cauldron of ferocious passion, he would very naturally conclude that the Government of the United States had committed some great crime against its its Cataline, and the Saviour of the people, and that this uprising was in world had his Judes Iscariot. It canresistance to wrongs and outrages which not be necessary that I should declare had been borne until endurance was no to you, for you know them well who longer possible. And yet no conclusion they are whose particidal swords are could be further from the truth than now unsheathed sgainst the Republic this. The Government of the United of the United States. Their names are States has been faithful to all its constitutional obligations. For eighty years it has maintained the national guished of them were admitted by the honor at home and abroad, and by its charity of the Government on which prowess, its wisdom and its justice, has they are now making war. For long A TTENTION, THE COMMUNITY!

A Grey and Fancy Dreas Goods, also Lace manufactures, for an American citiyears they were fed from its table, were crey fenders by the carth which the citizens of no record their brows garlanded by its public has enjoyed since Rome was honors. They are the ungrateful mistress of the world. Under its ad sons of a fond mother who dandled the earth which the civizens of now their their brows garlanded by its public has enjoyed since Rome was honore. They are the ungrateful mistress of the world. Under its ad-
