THE WEST CHESTER ACADEMY,

A T WESTCHESTER, PA., WITHIN

two hours ride from Philadelphia by the Penn-ylvania Central or the West Chester direct Railroad will resume the Judices of the SUMMER TERM on the first day of MAY next, and close on the last day of September. The School, therefore, is in session during the SUMMER MONTHS, Pupils are received at any time at propertionate charges. The average number of students is 85, under the charge of nine Teachers. The French, German and spanish languages are taught by native resident instructors. For exhalogues apply to WM. F. WYERS, A. M. Principal, ap122md.eod at West Chester, Penna.

"Amidst all these charges, and these facts," said he, "the whole matter lies in a nutshell. How were Generals McDowell and Patterson to march through a thoroughly hostile territory, that had already been occupied and exhausted by the armies of the foe. They must carry with them all the tools, munitions, and camp equipage essential to their progress, and also all the means of their subsistence, down to every of their subsistence, down to every pound of bread for their soldiers, and every wisp of straw for their horses. every wisp of straw for their horses.

And to move without sufficient stores would be the height of infatuation For there is no saying extant truer than that of the great European, that "armies move on their bellies."

Gen
2th day of July in tant, when they ill be publicly opened, for furnishing, by contract the following tents of the army deliverable at such hereafter designated, if quantities sarequired. Proposals, aloud, state the price of their complete, delivered at any of the deposi of the Quarter may tent by a whole army the proposals aloud a state the price of their poles and tent pins, which will be the subjects of separate contracts. armies move on their bellies." General Patterson tried an advance without adequate preparation. He had wagons enough to carry subsistence for only three days. And what was the result? He had to fall back two days for his He had to fall back two days for his hered to: commissary department to be re-supplied, for every three days that he
went forward. And that was playing
a perfect farce with the serious matter a perfect farce with the serious matter f making war, so he was checked unl he could go forward aright. Both he and General McDowell requir-

ed, at the minimum of necessity, twenty-five wagons and a hundred horses to every regiment. Now, let any man count up the regiments composing an aggregate of 75,000 men, and allot to them the necessary complement of wagons and horses, and see whether it were possible to put them advantageously on

discharged will have reached 88,000.

Of the fourteen regiments furnished by Massachusetts, but one can be retained, viz.: Col. Wardrop's; and this only by special permission obtained by him to fill up his regiment with 200 of Bartlett's celebrated "naval brigade."

In answer to an inquiry of the writer as to the necessity of this large number of the constant of the suddered that do not conform thereto. Proposals will be addressed. The fill of the fill be considered that do not conform thereto. Proposals will be addressed.
