To conclude with the brilliant Pantominis of THE COOPERS. A stampede of the colored population took place, and during all last night and to day the read has been lined with refugees to the fortress, and srmy wagons and carts bringing in goods from Hampton.—
The road has presented a most remarkable appearance. Nearly a thousand contraband men, women and children have arrived during the last twenty-four hours. For the present those not engaged in the Fortress will be quartered, in and around the Seminary building, lately the quarters of Colonel Duryae.

At about nine o'clock on Friday night, the Naval Brigade and a Massachusetts company came in and encamped near the Fortress. Max Weber's regiment came in this (Saturday) morning, and will occupy camp Hamilton. An alarm occurred this morning, and several buildings in Hampton were fired by our troops. The rebels will doubtless occupy the place to-morrow unless it should be burned. A flag of truce came in from the Confederates to-day, proposing to exchange Shurtleff and Captain Jenkins.
