OFFICIAL PAPER OF THE CITY

OITY MATTERS. DISASTROUS FIRE

Duquesne Depot Destroyed

Several Dwellings and Stables Burned. Loss \$160,000 to \$170,000.

The vicinity of Liberty and Penn streets, engines comparatively useless, and engen-dering much complaint among those who from Matbury to the river, was yesterday attention the scene of the most destructive configuration that has visited our city for had the management of the latter. A number of our returned volunteers and recruits some years, involving a heavy loss, and in companies about to leave made their rendering homeless many poor people. About half past three o'clock, four men appearance at the fire, and did good ser-

vice in checking the progress of the flames. in the employ of the Cornplanter Oil Co., The aggregate loss will not fall short o who had some twenty-five hundred barrels \$160,000, and as the insurance on the of rock oil stored in the basement under whole will not exceed \$60,000, the loss will the lower end of the Duqueene freight be about \$100,000.

the lower end of the Dequeene treight be acout \$100,000. depot of the Pennsylvania Railcoad Co., on Liberty atreet, were engaged in filling up oil, which the City Guager was meas uring, the lot having been sold, when one of them lit a gas burner and dropped the bit item where the fire extends over a large candle or threw down the match he had district. ased which ignited the gas and soon com. The Pennsylvania Bailroad Co. have municated to the barrels. In five minutes the flames burst furiously forth and sejzed promptly made arrangements for the ereca tion of a temporary building to accommo-date their business, which will suffer no

row, WM. BERNETT. Co, and No. 66, occupied by Wm. Collop, were slightly injared, and No. 68 was In our telegraphic columns will be found a dispatch from the Captains of the regi-ment, who indignantly deny the stories so industriously circulated to the detriment of Col. Campbell, who has ever been damaged by water. At this point the flames were checked. A number of frame houses in this vicinity known and highly esteemed as an honor-able and high-minded gentleman, who would not be guilty of the acta imputed to ere saved with difficulty, and some brick wellings on Marbury street were also in imminent danger, the wood work being much blistered. The day was calm, aud him. He is fully competent to vindicate himself and, with the aid of those who but for this circumstance and the exertions have served with him, will certainly do it of the firemen, the damage would have been far greater. The steamers did the lion's share of the work, but also took the lion's share of the watar, leaving the hand when he returns. Some may be called upon to verify their assertions who will

COL GEARY'S REGIMENT - On Saturday Col. Geary's regiment left their camp at Oxford Park, near Philadelphia, and took up the line of march for Harper's Ferry, leaving the Baltimore railroad depot abcut dark. The uniform of the regiment is gray cloth and most of the men were armed with Enfield rifles, with the formidable sword bayonet. The drill to which the men have been subjected while encamped at Oxford Park has brought them into a good state, and the regiment is almost in a condition to take the field for active work. The regiment number one thousand men, and Capt Costello remains in Philadelphia for the purpose of recruiting the command up to fifteen hundred men. The following are the field and company

officers of this regiment :- Colonel, John W. Geary; Lieut. Colonel, Gabriel De Korponay; Major, Hector Tyndale; Ad. jutant, John Flynn; Surgeon Henry Earnest Goodman; Assistant Surgeon, Samuel Logan; Chaplain, Charles W. Heisley; Quartermaster, Benjamin F. Lee; Sorgeant Major, Samuel D. McKee; Quartermaster's Sergeant, David B. Hilt; Commissary's Sergeant, John P. Nicholson; Regimental Postmaster, Thomas B. Hund Postmaster, Thomas B. Hurst; Wagon-

master, George W. Keller. The regiment embraces four Philadelphia companies, one from Mauch Chunk, one from Hizleton and four from this vicinity,

HENRY C. SPALDING 1018 No. 45 CEDAR STREET. NEW YORK

Mr. Spaulding, of N. J., offered a resothat two more are on their way thither lution, which was adopted, that, with the from Manassas. Gen. Johnson was still Senate's concurrence, both Houses shall

arrest was issued on the 18th day of Seps mand of Ool. Thos A. Bowley, forming tember, and he was brought before him a full regiment. The men, although their falling of the wall on Marburry street, for hearing on the 17th of November, and shough it was rumored that some of 1860. the men in the depot were unable to escape Here the case for the United States closed

and were burned to death, so far as we and Mr. Purviance opened the case for decould learn the story was without foundas tion, no other casualties having occurred.

fendant to the jury. The testimony for the defence was now proceeded with. That of the first three witnesses was to contradict Newcomer, Brom the depot building the fire soon communicated to a number of small brick and frame tenements on Exchange alley who swore that he had seen Bannon at New Brighton two months before the samp and thence to dwellings on Penn street.-We give below as accurate a statement of meeting. James Dickey stated that a camp meetthe damage and loss as we were able to obtain, beginning at the lowest limit of the configuration on Penn street:

ing was held at Palestine about the middle No's. 26, 28, 80 and 32 Penn street, ocof August, 1860. James Fleming testified that Bannon

cupied respectively by J. T. Shallenberger, James W. McFarland, Samuel Crow and took possession of the hotel at New Brighs tod about the 1st of August, 1860. Dr. A. J. Foster, of Lowell, Ohio, testified that Bannon left Lowell to move John B. Bell, and owned by Capt. Chas. Frisbed, were, except the last named, com-pletely gutted and the roofs burned off. No. 82 was less injured, the roof being left. to New Brighton early in August last. Capt. Hiram Cook, about October last, The houses were all two-story bricks .-heard a conversation between Newcomer Two two-story brick tenements, in the rear of 26 and 28, also owned by Capt. Frise bee. were entirely destroyed. It will rebee, were entirely destroyed. It will re-quire some \$6,000 to repair the loss of carpet sack in his hand, while he and Bannon stood on the step. Newcomer came

The next building on Penn street was a frame carpenter shop, occupied by a Ger-man named Lindsay, but whose tools had fortunately been removed. The building was destroyed, but the loss is triffing-probably \$200. Next above this was the come here any more; if you are a friend wrought nail manufactory of Peak & Ol-cott, a brick building, from which the tools, &c., had been removed, so that their "That's the man that sold my brother some money and I'm going to give him h-1 for it." The brother is about eighloss is triffing. The building was worth some \$400.

In the rear, of this, property, owned by James Sterrett, Esq., of Allegheny, were four three story brick dwellings, also be-longing to him, worth about \$1200 each. Job. G. Patterson, Chief of Police, had heard persons say they would not believe These were entirely destroyed, with nearly Newcomer. Would not like to believe These were antirely destroyed, with nearly all the furniture they contained. They were occupied by John Gracey, river blacks amility. John Armstrong, machinist at Preson & Oo's. Jno. Loughrey, drayman for Leech & Co., at the outer depot, and Wm. Bunton, of Echelman, Bunton &

Co., steamboat joiners. Their joint loss in furniture, &c., was about \$1,000. Mr. Sterrite was, we were informed, uninsured. Above there were two stables, one frame and one brick, the latter occupied by Ber-nard Conway, steamstor, who owned both,

and the former rented by F. Schild, gro-cer. Conway had five horses in the sta-ble and Schild two in his, but they were removed in safety. Mr. Conway loses \$800 by his stables and \$300 worth of furter of Newcomer was bad and he would hesitate to beliave him on oath. niture from his residence, above, saving nothing but his watch. He has no insu-
