OFFICIAL PAPER OF THE CITY.

PITTSBURGH: SATURDAY MORNING,:::::AUG. 10

KENTUCKY ALL RIGHT. The returns from Kentucky of the re cent election demonstrates very clearly that John C. Breckinridge and Lazarius Powell have been misrepresenting their State. We clip the following from the Louisville Democrat, the editor of which he talks. Long may he wave. "The as a cowardly race of Yankees, who Secessionists have professed a willingness would vanish at the first flash of the der any circumstances. By order of to abide by Kentucky whatever her de-chivalry's rifles. ciaion might be. This State has again not to be frightened out of their institu. him:tions and their country because a President does not suit them. Wise men don't break up Governments for light, trivial and temporary evils. The secessionists want peace. Well, they can have it. Let them lay down their arms and back their members of Congress, enthusiastically devoted to the cause, to anand take the oath to support the Consti. swer her purpose for a good while to come. tution in good faith. That will end the war, and give the country peace. They ever, to bear it in mind, for it sometimes are contending for the worst of objectsthe destruction of the best of governments. They can't be allowed to succeed. The glorious ocean-bound republication faculties into what little running he was They pretend to be fighting for independence, when no people were ever

with such folly and wickedness. Jackson said this Union "must and shall be preserved." That is the opinion of a vast majority of this State to-day. She was a control of the globe. If England trusted then to our succombing because we had no some for sight person of Miss D.

remember and they do not lorget that they the country in all time, and surrender not even clothes to hide our nakednesss, or shoes to cover our bleeding fet, she was demagogues and politicians of the wofully mistaken as the sequel proved, for

WHERE ARE THE LEADERS!
There is one matter which strikes plain people with sufficient force to put the pertinent query, What has become of all the oreat men of the country? Those the country? Those of the country? Those of the country it on.

blunder and leave any instrument at our command untried to suppress the insurrection in the vain hope that the insurrection in

On the eve of the purpose of the p but merely to direct public attention to the fact, so that it may be answered, or that when the roll is called we shall know who kept watch and who slept:

In the next few days, day by day, I should interest at the sound of the enemy's cannon.

In the next few days, day by day, I should into a state of the interest and dangerous as to call into a state of the interest and dangerous as to call into a state of the interest and dangerous as to call into a state of the interest and dangerous as to call into a state of the interest and dangerous as to call into a state of the interest and dangerous as to call into a state of the interest and dangerous as to call into a state of the interest and inte

PATENT AGENCY. Judge De Witt C. Lawrence, late member of the United States Patent Office us weaker. Board of Appeal, has resigned his posisition, and formed a professional part- Volunteers -- Their Physical Condition nership in the Patent Law and agency business with Robert W. Fenwick, Esq., of Washington, D. C. Both of these gen-touches three important points. relating to Patents, and we commend them to the inventors of the United States: : !:

The Resolutions of Indemnity. President for acts in themselves uncon And in case any individual shall be discharged within three months after entering the soldiers to believe they have been fable by the necessities of the time— that time, he shall receive neither pay nor such as calling into existence and employing a large army, suspending the habeas coupus act, suppressing a seces. sionist newspaper at St. Louis, and otherwise adopting active measures for putting down rebellion against the authority of the Federal government—

whether the disability existed prior to the date of muster, or was contracted after it. Minors also whomay be discharged either by the civil authority or upon the personal application of parents or friends, will be discharged without pay or allowance.

II. Cases of resignation by volunteer of the tight. thority of the Federal government—
have not been carried by the Senate.—
This is a rather singular circumstance, and one which places the President in a vary peculiar position. There may be some subtle motive for it in one seculiar of the Republican party in the Senate, and one by which it is intended Senate, and one by which it is intended Senate, and one by which it is intended Senate and S

GETTING HIS EYES OPEN. The abolition wing of the North, so full of blood and carnage a short time ago, are gathering discretion very rapidly since the tragedy at Bull's Run. The the rules by which Camp Cameron shall be gov-Greeleys, the Giddings and the Loveoys, were potential in arousing the whirlwind: they are as powerless as tribe of sinners, Horace Greeley, underwarns the people of the North of the sent at the same time. foolishness of contempt for the South. We have found that out, and are not discovery. So have the people of the South been misled by the Yanceys and Iversons, the abolitionists of that region. is a vary sation man, but we like the way The Northern people were represented twe streets.

There has always been a large class of voted, and the returns are sufficient to sensible conservative men North and now subside and let the State alone? \_\_ nothing to take back in their estimate as an invaluable legacy. They can't time since, when he would capture

> over the South, it is well to remember that more than enough for the work in hand, It is a view of the case which, we fear, has been rather lost sight of. It is well, howwas not the hare but the tortoise that won in the race, not because he was swift of master of. Self-confidence is a dangerous quality unless directed by a sound judg-

ment.
Certain it is that our great wealth and more independent than they have alresources will do little for us if not wisely ways been, and no one proposes to interdirected, while the very poverty of the fere with their independence. The rebels in these respects may prompt them Union is a guaranty of their independwe did without these things and beat her all the same. Rebel Outrages in Virginia. The ravages and outrages of the rebels in the part or Fairfax county, Virginia, which they have recovered, since the battle of Bull Run, are almost increditable. All the male residents, regardless

Secretary Cameron's Report. [From the London Times, July 24.]

The citizens of the United States may well be proud of their new army. More than forty years of peace, broken only by such interruptions as the Mexican war and the expedition to Utah, without the written permission of his commanding have not in the least degree blunted the officer, countersigned by the officer in command the command infants in arresting or controlling it. of the regiment, and not more than four men shall their military spirit. It is impossible The most important of this diabolical be absent from the company at the same time. to read the special report of the Secre-No officer shall absent himself from camp without tary of War to the President without permission of the commanding officer, and not being reminded of those ancient demotakes a death bed repentance, and now more than one officer of any company shall be atlation would sally out to repel foreign must be turned over to the Captains of companies, aggression, and all the richer citizens who will take them into safe keeping for the own- | would contribute freely to the expenses the least indebted to the Tribune for the ers, and the firing of guns and pistols within the of war. If Republican institutions are indeed on their trial, it is not at this point that they will break down. The Secretary may be forgiven for lapsing from the narrative into the rhetorical style in describing the composition of this force of a quarter of a million, so rapidly

raised and so efficiently armed. Many criticisms will probably occur The above order has not been issued with a view to military men on the deficiency of cavalry and artillerymen, the very small proportion of veterans among these raw recruits, and the inevitable inexperience of the officers. It will not be easy to who introduced the distinguished visitor to as very true, but a people in arms can gentlemanly deportment of the men, telling them to an enemy by no means their supethat he had known their Colonel from his boy riors in equipment or discipline. Such bered by all who had the pleasure of being prest this force is not equal to its personnel, which the secretary boldly declares to be "fully equal to the finest regular troops of the old world." Nothing is said as ascertain the fact, that there is not enough liquor Mr. Cameron's jealousy of European

cannon, with 3,000 rounds of ammunition," was a very seasonable present. Other wants are detailed in the report. One of these is a quantity and quality of rations for the troops "adapt-Union is a guaranty of their independence, nothing else can be. They have ence, nothing else can be. They have contempt is not often wise and is always in security, if they could succeed, of maintaining their independence. They would sell it now to foreign governments for aid in establishing an independence which will not secure it, but place all at hasard.

The halth of the regiment is excellent, there will not secure it, but place all at hasard.

The halth of the regiment is excellent, there will not secure it, but place all at hasard.

The halth of the regiment is excellent, there has a mighty mischief alread, Sunday, the 21st day of July, will always bear witness in our annals. The foes opposed to us will never be overawed by our numbers, nor mighty mischief alread, Sunday, the 21st day of July, will always bear witness in our annals. The foes opposed to us will never be overawed by our numbers, nor singly mischief alread, Sunday, the 21st day of July, will always bear witness in our annals. The foes opposed to us will never be overawed by our numbers, nor which will not secure it, but place all at heart of the matter. This reads like the leaf our of the book of our own Crimean exhibited to those who are slightly affected by change of water, die, 4c., who, under the skilfful treatment of Federal Guards, was the army regulations and blankets, "as the army regulations and blankets, as the army regulations and blankets, as the army regulations and blankets, "as the army regulations and blankets, as the army regulations and blankets, "as the army regulations and blankets," as the army regulations and blankets, as the army regulations and blankets, "as the army regulations and blankets, "as the army regulations an Nightingale, in the person of Miss D. L. Dix, has undertaken the superintend. ance of the hospitals. We have not the least doubt that this war, if it should unhappily be prolonged, will be a per-
