DO YOU KNOW IT ? CONSUMPTION IS THE MOST FATAL SCOURGE OF MANKIND. It has been truly regarded as AN INCURA HIS MALADT—few ever surviving its attack. "One sixth of the whole human ruce," eays Dr. CHURCHILL, "and MORE THAN ONE HALF OF ALL THE ADULT POPULATION of most civilized communities PERISH BY THIS DISEASE," What a sad commentary on the boasted efficacy of the Healing Art !

The brilliant Discovery of Dr. Churchill, made to the imperial Academy of Medicine, of Paris, has proved an incut made board of the world. By the use of this now and procept it remedial agent, known to Chemistry as

"that they will prove not only as SURE A REM-EDY in CONSUMPTION as Quinine is in Interwithout Favor, but also as effectual a PRESER. VATIVE as Vaccination in Small Pox." Let no sufferer, who values health and life, delay as hour to try this remedy. Remember that "prevention is better than core." Beware of self-deception, or the soothing assurance of friends that "It to mly a little cold!" Fatal error to my riads who now fill premature graves! ## Holland Bitters

DYSPEPSIA. Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various farms, from's quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture.

But the really great relief derived from the minute does, one teaspoonful, of our medicine, DE BERHAVE'S HOLLAND BITTERS. and the entire absence of after prostration, has esta-blished for it a reputation which the hest of imitations and counterfeits have failed to undermine. It is posi-tively a vegetable preparation, with barely sufficient pure spirits to preserve it. But one size of the genuine, (Half-Pint Bottles,) price Our Dollar.

It is a medicine of long-tried efficacy for Purifying the Bood, so essential for the foundation of good health and for correcting disorders of the stomach health and for correcting disorders of the stomach and bowels.

Two or three doses will convince the afflicted of its salutary-effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result. For INDIGESTION, Pry
