OFFICIAL PAPER OF THE CITY. PITTSBURGH:

Tan Gazette of Saturday says that the Republicans had tendered a Union ticket to the Democracy it would have been rejected. Perhaps the editor did not read the resolutions of the Demo-

publicans everywhere exclaim against the duty of the foregoing of particular position of the right field officers over any tion of their flag. In one piece of corpositively known, but every indication as distinguished from that of the isolated as distinguished from the isolated as distinguished from that of the isolated as distinguished from that of the isolated as distinguished from that of the isolated as distinguished from the isolated as test, if such is to be the case, they will shoulder to shoulder with them in this will not be less faithful to the duties of some of the ablest commanders with whom abstain from vulgar abuse of old politigreat struggle for constitutional liberty: ENCOURAGING.

The "Tribune" of Saturday evening says :- "Though the journals very properly avoid the publication of all news which might be made to convey intelligence to the enemy, and only gen ral with which they have offered their means intelligence respecting the movements to the country. of the National armies is made known, and we are most happy to be able to assure the public, from facts beyond dispute, which have been communicated to us, that at no time since the commencement of hostilities has the National cause been so strong or hopeful as now. In point of numbers, organization, discipline and efficiency, the army is most true; as it is also probable that it as now. In point of numbers, organizaof the East, under Gen. McClellan, and this example were set in the conduct of Federal affairs, it would be followed by the the army of the West, under Gen. Fremont, are immensely superior to their cers. highest previous condition. Of what But we would be false to the party Gen. McClellan has accomplished we which we represent, if we considered any proposition of union with former political already know something, and are also opponents, except upon the basis of principle. It is of little importance what men ple. It is of little importance what men ple. It is of little importance what men positions, of what party occupy public positions, whether of power or emolument; but it is of the utmost moment that citizens of comparison with that confidence which is one of the first requisites of successful gen- mon principles should unite at this time in eralship; but of Gen. Fremont's progress we are, from the fact that his the support of the government, and in the vindication of the Constitution and the Union. We believe we utter the sentithestre of action is remote from us, not ments of all Democrats when we say that so well informed. On this head, how- they are ready to unite in political action eyer, a single fact can well represent with every citizen who looks to the preservation of the Constitution and the perpetuation of the Union as the great end to be Three months' volunteers of his army have re-enlisted for the war, we say months to show fully the popular feeling my word on nonor that I will see you there." And of honor that I will see you there." of the great West toward both the based upon the idea of the separation of they marched away together these states; while they hold that the war dence N Y. Pest.

There has been some controversy rel-Democratic Committee to the Republim by the necessities of this method Conventions. We publish below the reply of Dean Richmond, as chair man:

OENTS: The resolutions communicated to us by you had been duly considered by our committee, who have directed us to reply thereto. None can be more profound.

This only possible to say that nothing on ments from the east coast of Africa, but the trade is mainly carried on under the American flag. Lately there has been some little amount of slavery carried on under the French flag, but not a scale in the shape of military the trade is mainly carried on under the American flag. Lately there has been some little amount of slavery carried on under the French flag, but not a scale in the shape of military the trade is mainly carried on under the American flag. Lately there has been some little amount of slavery carried on under the French flag, but not a scale in the shape of military the trade is mainly carried on under the American flag. Lately there has been some little amount of slavery carried on under the French flag, but not a scale in the shape of military the trade is mainly carried on under the American flag. Lately there has been some little amount of slavery carried on under the French flag, but not a scale in the shape of military the trade is mainly carried on under the American flag.

menace us equal, if they do not exceed, those which surrounded us in the war of ndependence and in the formation of the Constitution. As to the spirit in which Democrats are disposed to meet the emergency, we point to the hundreds of thouands of our brethren who took arms at the first warning, and to the readiness

You suggest a conference of political conventions for the nomination of State officers, as a mode apparently of uniting the people in support of the country. That it would be well, at this time, to fill the leading public officer, especially in the Federal government, to which the conduct of public affairs belongs, with men whose purity of character and capacity for ad ministrative labors were so well known as people in the selection of their State offi-

and fanatical sectional policy, while the present dans of large propose, therefore, to invited to the present dans so largely contributed to the present dans of the country. They propose, therefore, to invited outlong the first propose, therefore, to invited outlong the first propose, therefore, to invited outlong the first present.

To THE MOUNTAINS.

They propose, therefore, to invited outlong the first propose, therefore, to invited outlong the sum of the country. The most conspicuous object in the noist conspicuous object in the first propose, therefore, to invited outlong the sum of the most conspicuous object in the most conspicuous object in the most conspicuous object in the section form the North, yet it was the spirit of the South which animated the section of the coll family castle new the spirit of the South who he soft family castle new the spirit of the South which animated the section of the sold family castle new the spirit of the South who the sold family castle new the spirit of the south family castle new the spirit of the south family castle new the spir where the health-giving air yields a new lease of life. You will stop certainly at the Cresson House, where the amiable Mullen will convince you that it is just the place you have been looking for. A wag remarks to us that he liked Cresson uncommon, for, whilst there, he had plenty to eat and nothing to do, whilst at home it was very much the remarks. willing to co-operate with the Democrats to these ends, to come together at the primary meetings, and unite in selecting representatives to a State Convention, to nominate candidates upon this platform of

patriotism.
We have the honor to be, &c.,

General Wool immediately replied wants the habitual condition of the boysnot their holiday sham appearance. Hence that blouse, that unheralded approach to camps who have no idea of his personnel, who supposes they see a sapper and miner the public. He unostentatiously goes on

Richmond and the New York after the same method with that great body mentioned, I should like to state the exact so much of this speech as refers to our the orders issued by General M'Dowell Company E, 5th Regiment, ative to the reply of the New York numeral amount of the work enjoined upon Democratic Committee to the Republican Committee, on invitation to unite lican Committee, on invitation to unite litis only possible to say that nothing on

ty impressed than we are with a sense of and still more by personal confidence—the duty of the foregoing of partizan position of the right field officers over any jews and purposes in the present critical

voice, but the fist of the preacher had not come down on the desk in personal appli-

chance; it may never happen again. Bo we taok our cobblers at Willard's when we should have been in our camps on the hills, moralizing over the straw at midnight about "remarkable Providences," lorgetting that our soldiers needed an eye would be their talisman and inspirer of victory. McClellan came and said, not "there may be," but "there shall be" no more panic. And he has taken the means. He has made the officer as reponsible for the men as the mon to the

Without his pass, neither bands nor for his pass and received indignant answer that he was addressing an officer. "My instructions," said the sergeant, "are to their treaty engagements. There is a see you to your quarters." "I give you treaty engagement by which they are take position on the Centreville Heights my word of honor that I will go there," bound to cooperate with us for the sup-
