Mervous Prostration, General Debility, Asthma, Dyspepsia, Scrofula, Marasmus, Paralysis, Chronic Bronchitis, Anemia, Chlorosis, and all Disorders of the Blood System. DO YOU KNOW IT?

UMPTION IS THE MOST PATAL SCOURGE OF ND. It has been truly regarded as an increa aby—few ever surviving its attack. "One sizh of the schole human roce," says Dr. Churchill, "and MORE THAN ONE HALF OF ALL THE ADULT POPULATION of mostolylized communities PERISH BY THE DISTANCE." What a sad communitary on the boasted efficacy of the Healing Art!

The brilliant Discovery of Dr. Churchill, made to the Imperial Academy of fiedteine, of Paris, has proved an inestinable boon to the world. By the ne of this new and powerful remedial agent, known to Chemistry as

THE HYPOPHOSPHITES. "The CURE of CONSUMPTION, even in the Baccad and Third Stages (at a period, therefore, when there can be no doubt as to the nature of the Disease) is the RULE, while DEATH IS THE EXCEPTION." • • • "I KNOW," says Dr. O. "that they will prove not only as SURE A REM-EDT in CONSUMPTION as Quinine is in Inter-mittent Prover, but also as effectual a PRESEIS VATIVE as Vacantian VATIVE as Vaccination in Small Pox." I Let no sufferer, who values health and life, delay at hour to try this remedy. Remember that "preventing is better than cure," Beware of self-deception, or this coothing assurance of friends that "It to only a little cold!" Fatalerror to myriads who now fill premature graves! Give, I entrent you, prompt attention to this LEARLIEST SIGHS OF CONSUMPTION. "AND THESE SIGNS SHALL FOLLOW THEM."— Mark.
"The emiliest symptom of tubercular disease is wasting.
It precedes the cough, and it is earlier, in point of times than the neone. It is first manifested in the face and hands. The muscular tissues waste; hence desurt there is a sense of something wrong—a feding that the viral powers are reason. The muscular tissues waste; hence desure there is a sense of something wrong—a feding that the viral powers are reason. The muscle of the living machine is more active than its repair."—Dr. Pollock. " If, without any apparent cause, or under the influence of causes which induce weakness and exhaustion; such

of causes which induce weakness and knauetion; such as ucut, grif, overwork, excess, preputative, child-bearies nurship, rapid growth, or slow recovery from disease a person begins to lose his flesh, strength, color, of appetite; if he suffers from shortness of breath, of descriptions, and experiences a general feeling of lot quor and degrees on. THERE IS REASON TO FEAR the he is already predisposed to the complaint. If to these symptoms be added cough, however elight, perticularly if it has some on slowly, or during the fair season the probability is greater still."—Churchell. EFFECT OF THE REMEDY. "If, on the earliest appearance of these algar in Consumption, the patient takes dully about the grains of the HYPOPHOSPHIYES, he will usually

see them all disappear in a period varying from the tew weeks to a few months; and by continuing the occasional use of the Remedy, HE WILL SPER ILY FIND HIMSELF IN THE ENJOYMENT Q SUCH HEALTH AS HE PERHAPS, HAD NEVER KNOWN IN HIS LIFE BEFORE."

"Winchester's Genuine Preparation" IS THE ONLY RELIABLE form of Dr. Churchill's Remedy. [Made from the original Formula.] The action of the Hypophosphital IS TWO-FOLD and Specific: increasing the principle wint convintues derived force, and they are the moreover the moreover the moreover the moreover the moreover the convince the tubercular condition is IMMEDIATE, all the carried structures framewhere with a Reachity wind is graftly marking. They relieve the cough, diminification that the might measure, chille, and peter cases; the bow the come regular, and the might force cases; the bow the countergular, and the might followed the proposed.

See The Label ON THE TOP OF EACH BOTTLE OF HEIMSTREET'S INIMITABLE HAIR RESTORATIVE Has the Signature of the Proprietors. W. E. HAGAN & CO., W. E. HAGAN & UU.,
Every article which has a large and increasing
sale like this is likely to be counterfelted. It is, as
its name indicates, entirely "IMMITABLE" as far as
its power to restore the Hair on bald heads, and to
give it the color of youth, (no matter how grey it
may be,) is concerned
USE NO OTHER RESTORATIVE BUT HEIMSTREET'S.

It is the original, the only reliable, and the cheapest.

See the following testimony:

Jackson, Miss, May 29, 1861.

W. R. MERWIN, 61 Market street, St. Louis, Mo, Advertising Agent for Heimstreet's Hair Restoration Haisster's Indutable Hais Respondance. That it is surpasses any preparation that he has ever tried for Restoring the Hair of the baid and grey to its original luxuriance and beauty."
You can write the Proprierors, W. E. Hagan & Co., Troy, N., that they have the cheapest and best Hair Restorative in our market, and that it gives satisfaction in every case. Respectfully your?,

THERE IS NO USE INTRODUCING TESTIMONIALS Altho' we have very many of them, FOR THE MAGNOLIA BALM:

For when the Face is covered with unsightly Pimples or biotores, the sufferer cares only to be directed to use some agic and reliable remedy. THE MAGNOLLA BALM WILL CURE IN A SINGLE WEEK. It is so safe a remildy that the contents of a bottle might be drank without harm. Physiciens look with wonder upon its speedy cures, for it has heretore been thought absolutely necessary to use preparations of lead or mercury to cure immediately; but the Magnoll Balm contains neither. It is the most elegant and neatly put up asticle for tely, but the Magnotia Baim contains neither. It is the most elegant and neatly put up asticle for sale anyweere, and may be obtained of all our Apothecanes and Fancy Goods Dealers.
