courage of the Fire Zouaves prompted war and resestablish the Union, they must them to fire a hundred shots, when they cultivate the good will of all, and prove their devotion to principle by some other process than a gready monopoly of public

FROM EUROPE. The Persia has brought us European news of the 4th inst. Most of the London journals are vehement in their opposition to the idea of negotiating a United States loan on the Stock Ex. change. They affect to dread that should the federal government and the Jeff. Davis Confederate leaders become reconciled, a general repudiation of foreign debis would immediately ensue. England had ordered additional warves the trial to rally them upon our first postsels, with naval reinforcements to the tion. American coast. It is said that Kingston, Canada, will be declared a perma- ment. Let the men, if they will, join other nent naval as well as military station. volunteer organizations, but recruits can-The United States blockade of the Southern ports is denominated "ineffi cient" and "contemptible" by the London Herald, while other English papers call on both France and England to unite in action for its annihilation if it

SOUND AND TRUE. The Pittsburgh Catholic of this week, as it has been in the past, is clear and manly in its opinions of the present struggle. We take great pleasure in transferring to our columns a portion of its editorial. The editor says: "Our only hope, then, is in a united North.— Now, if ever, we may say, 'united we stand, divided we fall.' We are much mistaken if the record of the present. faults, will not present one of the brightest pages in our history. It has had a herculean work to do-a work which no Administration that was ever framed could do, without errors and failures in

sion that military men would regulate the details. Yet, so far, its errors are not war movements for the future. We are worth considering. Give it, then, a cornever, it would seem, to get clear of the dial, a united support. Advise it, eneditors, politicians or preachers of New lighten it, if you will, but do not carp at York city. They knew more than all the it. An ungenerous hostile criticism of world beside, and are very uneasy lest the Administration, in the present cir-Generals Scott and McClellan will not cumstances of the country, is nothing less than constructive treason; for i War, Hon. Simon Cameron, is made the tends to weaken the Government in the face of an enemy who seeks to destroy it. We are advocates of free discussion.

but free discussion has its proper matter and its proper limits, beyond which it is out of place, if not reprehensible. Under ordinary circumstances, we would accord to the effusions of crotchety, sore-headed parades and unnecassary labor shall be dispensed with upon the Sabbath in the various camps. 4th. That each entire regiment shall be mustered for Divine not be silenced to soon."

"From time to time, we see the Catho lics of the Northern States blamed for their unanimity in upholding the Govstrengthening the hands of a fanatical party, which in the past sought to proscribe us; and which, should it succeed towards the extirpation of Catholicity.-We have yet to meet Catholics who have been influenced in any degree by considerations of this kind. Catholics know very well they must not serve the Church After a consultation of several days, at the expense of principle. Expedi-

> whole world, be wanting in a single duty they owe the Government." FIRE ZOUAVES. Although this regiment suffered severely in killed and wounded and did some good fighting, it was desultory and ineffective. Their proper place was on the flank, and pered by masked batteries; but their duty was to fight wherever they were placed.

"It is not to be disguised that the popular feeling with regard to this corps is very different from what it was when they left Elisworth. Why this is so is explained by the text of Colonel Heintzelman's official report, which, together with Colonel Porter's report, settles the vexed question We commend this to our rabid partisan as to what caused the panje on the battle

> broke and fled, leaving the batteries open to a charge of the enemy's cavalry, which took place immediately. The Marines, also, in spite of the exertions of their gallant offices, gave way in disorder. The Fourteenth on the right and the column on the left hesitatingly retired, with the exception of the Sixty-ninth and the Twenty-seventh New York, who nobly and artillery teams can furiously through the flying crowd. All further efforts were futile. The words, gestures and threats of our officers were thrown away upon men who had lost all presence of mind, and only longed for absence of body. Some of our noblest and best officers lost their lives in

"With such a record as this, it is not wise to attempt to reorganize this reginot be expected to swell the ranks of this unfortunate corps.
