VIEWS FROM THE CAPITAL The Recent Battle Near Springheld Death of Lyon-Superior Numbers of the Rebais-Why Was Not Gene Lyon Relatoreed t ondence of the New York Times. WASHINGTON; August 14, 1861; The meagre accounts thus far re tent at Centreville, previous to the batseived induce the belief that the con- the of Ball Run; which he considered luct of the Government, forces in the battle near Springfield, Missouri, will leave no cause for shame or regret;

while their noble commander, Lyon, who met death at the head of his column, in the act of charging upon the reply: rebels, has left to his country a heroic memory to be treasured up for all time. His death was a fitting termination of his brilliant career, in which we ever port of your speech, but I am gratified routing the enemy. Napeleon would, by instinct, have set his heart upon Lyon, if he had lived in France half a century ago. Old Connecticut may well be proud of him. His heroic story will inspire the youth of that State with

The news of a defeat or a check to our arms is saddening, but that our troops made a good fight against almost triple odds, is inspiring. But the question naturally arises, why was the rebels are in superior force ? All ac-

quickly concentrate and hold one million of of the enemy. At this point we, have men, so readily as the interference of Engbeen held at bay, and, at length when an attack upon the rebel camp is made, the repulse is explained by the declaration that we went on the field with fifteen or eighteen thousand, and met the enemy with thirty five to fifty thousand, with a reserve as large as the

active force. It is undeniable that, when the battle of Bull Run was fought, there was at least sixty-five or seventy thousand men in McDowell's

division, in the vicinity of Washington; but for some reason, only fifteen or eighteen thousand could be brought into action. At Harper's Ferry we could do nothing on account of the superior forces of the enemy under Johnston; and at length we have been outnumbered in Missouri and driven back by the

rebels For some weeks the Press has endeavored to atone for a too presumptuous

criticism of military affairs by a degree of meekness or silence which is scarcely consistent with its boasted independence, and rather disproportioned to the necessities of the case. But in the meantime the people will thick and talk, and it is needless to disguise |
