After the list was called the Convention elected Thos. M. Marshall to be their permanent Chairman. Capt. Kerr, of Elizabeth, Adam Walters, Wm. Woods and Col. Gerst, were chosen Vice-Presidents. David Sims, J. W. Blackburn, Thos Blair, W. B. Negley and John H. Hare were elected Secretaries.

On faking the chair, Mr. Marshall thanked them for the honor conferred, remarking that they had met in troublous times. The Convention should be governed by the highest and most patriotic motives; and inasmuch as it had not been called as a strictly party convention, he hoped its action would shame the Demor crats of other sections, where, having a majority, they refused to unite on a Union ticket. The Republicans, having a large majority in this county, could afford to b ous. Let all remember that the ing their miskets, and standing side by side with Republicans in a united effort to wipe out the memory of Manassas and Rell Dewith Espublicans in a united effort to wipe out the memory of Manassas and Bull Run.

[Loud applause.] He did not speak by dictation, but he hoped that all would act in harmony and for the good of the whole country. It was but just and fitting that they should deal generously with their Democratic friends. He would not have favored this proposition at one time

The motion was adopted, and the Chair appointed John F. Dravo, Richard F. Smyth of Scott, and J. C. Lewis, of Sharpsburg.

After the disposal of some preliminary

business, relative to contested seats, &c., on motion, Robert Dunlap, Thos. S. Blair, Geo. McLean, John McKelvy and John M. Porter were appointed a committee on resolutions, to meet a similar committee from the Judicial Convention.

Thomas F. Wilson, Secretary.

Mr. J. F. Dravo offered, as a minority report, the following:
Reschef, That in the nomination and formation
of a County "Union Ticket," this Convention omit
and leave vecant the following offices to wit: Two

and Coroner.

Mr. John O'Neil moved that the reports

A motion was then made that the Convention adopt the minority report.

Convention was to nominate a Union

Mr. Stevenson, of Sewickley, was a yuline wanted every body satisfied.

Mr. T. S. Blair thought, under the call of the Convention, it was for them to nominate a full ticket of men loyal to the government.

Mr. R. F. Smyth did not wish to recognize the Democratic party here, but to make a full ticket of loyal men to the Union.

Mr. J. F. Dravo wished a ticket nominated without regard to party feelings, of men in favor of the Union. He would be afraid to go home to Mifflin township with a straight Republican ticket. He wished he nominations made without distinction of party. It was not a time for party

blekerings now.

Mr. Little, of Ohio, wanted a pure Republican ticket and nothing else. No other could be carried in his district.

Mr. Miller was desirous only that the ticket should be so secured that the Demperatic party should have an honorable and fair share of the nominations, and that they should be sotisfied by selecting the en themselves

Considerable farther discussion was had The yess and nays were called upon the adoption of the minority report, and resulted: Ayes, 57—Nays, 85. So the inority report was lost. The majority report was then again read and on the motion to adopt it, the reas and nays were called with the followng result: Ayes, 64-Navs, 79.

This was read with cheers in the gallery. The Chairman announced that under the call all men loyal to the Union could be nominated, and the Convention proceeded o nominate. Mr. Wright moved to allot the office of Associate Judge to the Democrats, instead of Coroner. Not agreed to.

After some further discussion, the queson was called upon the motion to adopt the minority report.

The yeas and nays were called, and resulted as follows: For the Minority report-57. Against -85.

The motion to adopt the minority report was therefore declared lost.

The majority report was then read for formation, and a motion was made to dopt it.
Mr. Wallace moved as an amendment, that the report be laid upon the table. Not

nnouncement was hailed with applause.

The President remarked that the action ust taken would not prevent the Convenion from nominating any person whom they might think proper.

Mr. McElroy, of Patton, remarked that he had been instructed to advocate the nomination of a Union ticket, and that beng now out of question, he moved that the Convention adjourn sine die, and that the people be left to select their own

The motion was negatived by a very decided vote. The Convention then proceeded to re-ceive the names of candidates for the of. fice of Sheriff, Prothonotary, etc. The following is a list of the candidates before the Convention, with the ballots annexed:
