CUSTOM HOUSE, PITTSBURGH, Sept. 3d, 1861

NOTICE TO SHIPPERS.—Merchants and others having occasion to send goods of any description to the States of Virginia, Kentucky, or Missouri, are respectfully requested to assist the officers of the customs in preventing goods from getting into the hands of our enemies, by conforming strictly to the following instructions.

The restrictions heretofore required in reference to shipments to Wheeling, and points this side, in Virginia, remain in force, as far as they relate to arms, ammunition, military goods and equipments. Goods of any description going to the interior of, or along the Ohio line south of Wheeling, to Virginia, will require permits.

Goods of all kinds going to Kentucky and Missouri will require permits. Packages going to our soldiers in either of the above States, and directed to the care of the commanding officer, will not require permits. As I am required by the Treasury Department to report the shipper, owner, description, destination and value of merchandize shipped from this port to the above named States, all applications for permits to ship must be made in writing, giving name of shipper, owner, destination, description and value of goods

Shippers will be required to vouch for the loyalty of consignees not known at this office.

SOAP. SOAP. SOAP. SOAP. SOAP.

THE CHEMICAL OLIVE ERASIVE SOAP, manufactured by B. O. J. H. HAWKES, is acknowledged to be the most serviceable of any kind yet offered to the public. Its superior advantages are found in its cheapness, saving of labor, and its efficacy in removing grease, paint, tar and dirt without injuring the skin, or in the least wise damaging the finest quality of goods. It can be used with all kinds of water.

Reference is made with pleasure to the subjoined certificates, emanating from gentlemen well known in this community, and who had every facility afforded of seeing it fully and fairly tested.

Quartermaster's Department of the Fourth, Thirteenth and Fourteenth Regiments, Pa. Vols.

"Sawyer's Chemical Olive Erasive Soap," having been used very extensively in our Regiments, we have no hesitation in certifying that it was found admirably adapted to the use of the soldiers, and decidedly the most superior Soap which could be procured for the service.
