Delegates and How Elected! MR. BARR: -For come time past I have Joseph H Hill been migh interested in the consisten course you have marked out for yourself John R Sankey as regards placing before the people loyal and devoted citizens there never was a time in the history of the country, when it required every well wisher of the Union Marcus W Aches of the States to forget and forgo all local and political prejudices, and cament by love and devotion the whole people in de-fence of our country. We are but one community on the subject matter of de-fandize the land, at Washington, and James McGrego Chas H Paulson Samuel M Young Jos R Hughe James Millinge with power and peace, there can be no ob-jection to the Union of all hearts in sus-Charles S Bissel Samuel P Collin their own selection of the proper material Then, if I understand the call as published, Geo D Vanorer the voters of the several districts of the county will choose ONE REPUBLICAN BY REPUBLICANS AND ONE DEMOCRAT BY DEMOCHATS to represent both branches in a Union loving Convention, on next Tues-day, to be holden at your Court House. Am 1 correct or not? This I take it would be fair to all interested, and when they do assemble let them meet like mer and act like gentlemen should act, by this means you will be able to reach what is W A Cheesman desired by those who favor the will of the Jas E Lodlie, jr Lieut J Fanguhar people. The President and those in autho people. The President and those in authority, I am informed, expressed the hope that political differences should and would cease and terminate for the present. To all of this I fully accord my most hearty response, for there can be no good reason assigned for keeping alive party distince those is this nonling time is further the non-John M Slatterbeck tions at this peculiar time of strife, when the country is torn and rent assunder as it were by the mad ambition of political leaders. We should frown down and demonstrate our hostility to all manner of packing Conour hostility to all manner of packing com-ventions to enable designing men to dis-tract the harmony which should prevail with all classes of our people at home. Offices were not made for bold, aspiring domagogues, but to subserve the interests of the taxables. and it is to them these "fat takes" of right belong, and it remains eral Fremont has, at this beginning of for them to see that none but the worthy should possess such. It is full time that there should be a change in around the Jail and Court House. Let others have a trial, and let others be tested, for in my opinion, the people of the county owe it t) themselves to place others there who may be able to give an expose of the said to obselete notions, that they would field by the nominsting Convention are sink any cause, however lofty and sa-ored rather than abandon a favorite the rear of public feeling, and should main, for in no fairness should they be al-such an one stray into the coming but should they decline their present nombrother of the Dispatch, take usual pleas-ure in exposing him and his dirty pro-the independence and integrity of the for its interests, requires that it should the brother of the integration of the in

attention to a scheme already planned to for is strict fidelity to the Constitution and outlaws. We respect their flags of rustrate the intentions of those who are the interests of the people at large avorable to a Union tiket. CLINTON. The politicians who controlled the late Republican Convention are now at work The politicians who controlled the late Republican Convention are now at work in order to pack the people's assemblage of next Tuesday. Their design is to nomi-nate the present Republican ticket, or fall-ing in that, to break the Convention up withcut making any nominations at all.— The friends of union should look to this matter, and not permit themselves to be cheated by political chicanery. Those gentlemen who have accepted nominations from the Republican Conven. ton have no right to seek endorsement from us. The masses who are moving for ----tion have no right to seek endorsement from us. The masses who are moving for a Union ticket are doing so because of Pennsylvania, to which the Governor was to present the flags. their opposition to party homination, and the present Republican ticket has no more The Governor rode in a carriage and was escorted by the Fifth Regiment of right nor our power to bring them

Another Reform The Prench Census recently taken disclosed some curious facts. Among these is an excess of marriages in the large torms and bitles of France over those in the country, proportionately to Gen. McClellan is about effectin another important reform in the organ zation of the army under his command. This is the division of his force into eparate corps, independent in their population It also appears that but own sphere of action, but responsible to about seven widows in every hundred a general head. This method of organmarry again, while twice that number ization is a peculiarity of the military of widowers re-enter the connubial powers of Europe, especially of France, state. A majority of male children are fonding the lands of Washington and Prussia, and Russia. The whole rou- shown to be born of parents of nearly kindrid spirit, and it is but right and time of military duty is shown to be born of parents of nearly proper that we should be but one tine of military duty is simplified by the same age. The average donation of sovereign and independent people in the such organization, as even a civilian weddled life in 1856 was inventy fre can readily perceive. The issuing of years, against twenty-three years and orders is at once reduced from a cor- two months in 1836. One third of the taining a Union ticket.
