OFFICIAL PAPER OF THE CITY

CITY MATTERS.

FRIDAY MORNING.....SEPT. 13.

Card from Laurence Mitchell, Esq.

MESSRS. EDITORS:—Inasmuch as my name appears in the proceedings of the late Republican Convention, in connection with the balloting for Associate Judge, I deem it a matter of justice to myself to state that, as I had announced in a card from the beginning, my determination to solicit the nomination of no Convention except one chosen by the people irrespective of party, my name should never have appeared before that Convention, had I not, in common with many others, understood the call for the Convention to be for the nomination of a Union ticket, to be composed of men without regard to party names, in favor of a vigorous prosecution of the war for the maintenance of the Union. On the day of the Convention I stated expressly to many of the delegates, that in the event of the Convention being a Union Convention, without regard to party, I would be a candidate—otherwise not—Many of the delegates were strongly opposed to a party nomination. The votes I received were from personal friends.—Other delegates would also have cast their votes in my favor, had I not requested them not to do so.

LAURENCE MITCHELL

September 18th, 1861.

The undersigned, delegates from the borough of Lawrenceville, in the late judicial Convention, understood Laurence Mitchell to state that he would be a candidate before said Convention for Associate Judge, provided the delegates determined to nominate a Union ticket, and in that event only.

FOR THE EXCELSIOR BRIGADE.—Capt. J. Brunn, who organized the Friend Rifles, in this city, has returned for the purpose of raising another company for the first regiment of Sickles' Excelsior Brigade, having been detailed for recruiting service here. The first regiment is now stationed near Alexandria, expecting marching orders daily. Pay will commence from the date of signing the muster roll and the men will be sent forward to the regiment in squads, and provided with everything requisite upon joining it. Capt. Brunn is a good officer and will have none but competent officers under him. The recruiting office is at No. 76 Fifth street, where we recommend all young men desiring to get into a crack regiment to call.

"HOIST BY HIS OWN PETARD."—John Kemp was yesterday arrested and committed to jail by Mayor Wilson, charged by his wife with attempting to shoot her with a pistol on Tuesday night. John did not deny the shooting, but alleged, in justification, that he had found his wife in company with another man under circumstances which left no doubt on his mind of a criminal intimacy, when he fired the pistol at both. The shot missed and one of Kemp's fingers was blown nearly off, but this he alleges was done by a shot from his wife's paramour. The evidence before the Mayor showed, however, that the wound resulted from the careless handling of his own weapon, and Kemp is now in jail to answer the charge preferred by his wife.

THIEVES ESCAPED.—On Monday last two well known characters, belonging to this city, entered the house of Louis Moul, Chestnut street, Allegheny, and stole seven dollars. They were arrested before they got out of sight, and taken before Justice Bahoup, of Duquesne borough, who wrote out commitments for larceny and placed the men in custody of an officer. On reaching Seventh street, they asked privilege of the officer to enter the Neptune engine house, alleging that they could find bail. They were permitted to go in, but made tracks by the back door, and have not since been seen.

DEGREES CONFERRED.—At the late commencement exercises at Washington College, the following honorary degrees were announced. D. D., Ferdinand de W. Ward, Genesee, N. Y.; Rev. Richard Brown, Wellsville, Ohio; Rev. Samuel J. Wilson, Professor in the Western Theological Seminary. LL. D Rev. C. C. Beatty, Steubenville; Hon. N. Ewing, Uniontown; Hon. George Chambers, Chambersburg.

COMMITTED.—Two of the "Seventh street boys," who have during the past week exhibited such a total disregard for "law and order." Peter Delaney and Jno. Hancock, were arrested by the watchmen on Wednesday night, charged with having attacked and knocked down a harmless young man named Laurence Egan, fortunately injuring him but little. The Mayor fined them $20 each and committed them to prison in default of payment.

PAINFUL ACCIDENT.—A little son of Mr. Thomas McKee, night watchman at the Hand street bridge, met with a very painful accident on Monday evening. The little fellow, in company with some other boys about his own age, was riding on a "flying horse," when, by some means or other, he was thrown off, his head striking the ground with great violence. His injuries are very painful and his recovery is considered doubtful.

HOUSE BURNED.—The dwelling house of James Richardson, of Franklin township, Armstrong county, was totally destroyed by fire, together with its contents, on Monday morning of last week. The fire was occasioned by some shavings taking fire in a new addition to the house in course of erection. Loss about $900.

NUISANCE.—John Shepperd has made information before the Mayor, charging Mrs. Gardner alias Taylor and Sarah Barker and Charles Wolffe with maintaining common nuisances in the shape of "disorderly and ill-governed houses, where persons of evil name and fame do congregate by day and night," in the Fifth ward.

BARGES FOR GOVERNMENT.—During the past two days, about one hundred coal barges have been purchased here for the government. They are one hundred and forty feet long, twenty to twenty-five feet wide and eight to ten feet deep. Several have also been purchased in Cincinnati.

WE yesterday observed a number of workmen engaged in repairing the trestle work of the Pittsburgh, Fort Wayne and Chicago Railroad in the Fourth Ward, Allegheny.

ARMY NEWS IN WESTERN VIRGINIA.—General Rosecrans, with a force of some ten thousand men, is on Gauley river, near Summersville, and is in a fair position to give Floyd and Wise, and mayhap Lee, a good whipping. It was rumored on Wednesday that one fight had already taken place, and the enemy had retreated. We doubt this.

In Roane county, a good work has been done and is still being carried on under Major Slemmer, who was sent to Spencer (to relieve the Unionists who were beset by a gang of secessionists) at the solicitation of Speaker Frost, who, as we have heretofore noted, had been there with the best force he could raise, but had been compelled, on account of the greatly disproportionate weakness of his force, to retire, after he had gone within the enemy's lines. From a reliable source we learn that Slemmer has had several days' bush-fighting with the rebels in which a considerable number of the latter were killed, a large number wounded and much of their personal property destroyed, and several houses burned—and that a Lieutenant of the Third Virginia Regiment had been killed. In one place, after a skirmish, they found some fifteen dead bodies of secshers. The bush-fighting lasted for several days—and Slemmer was still following up and capturing and punishing the rascals. Several persons previously captured and released upon taking the oath of allegiance to the United States, had been taken prisoners with arms in their hands—two had been shot by order of Major Slemmer, and two more were to be shot the next day. The Union men are all up in arms in Roane.

At Parkersburg, Wood county, the Union men are well organized, and their military arrangements are efficient. No one is allowed to enter or leave the town without a pass, to get which the oath of allegiance must be taken, and their picket guards extend several miles from the town. The people there are fully aroused, determined to sustain Union men, take care of themselves, and secure all the secessionists in their power.

We learn that it is rumored at New Creek Station on the Baltimore and Ohio Railroad, that Gen. Lee is making towards that point. Our informant met a freight train with a quantity of cannon balls for that point yesterday. The troops at Cumberland have been ordered there also.—*Wheeling Press of Thursday*

Are they Secessionists?

Mayor Wilson yesterday received a dispatch from E M. Norton, Marshal of the Western District of Virginia, and Wm. A. Harrison, U S. District Attorney at Wheeling, desiring him to arrest James Burrows and William Patch, of whom descriptions were given, upon their arrival here by the Washington stage. They were accordingly seized when the coach came in and the Mayor immediately telegraphed to Wheeling to ascertain the charge, stating that the parties had been arrested.—The only reply to this was to send them to Wheeling at once. The Mayor committed both as "fugitives from justice," and they will be sent to Wheeling to-day.

It is surmised that these parties have been indicted for treason in Virginia. They came without baggage and acknowledge that their houses were visited on the night before they left and their arms seized.—Both claim to be neutral, and one says if he is in favor of Jeff. Davis it is nobody's business. We shall probable hear more of them when they reach Wheeling.

THE Fifth Michigan Regiment, Colonel Terrey, arrived in the city last night about nine o'clock by Pittsburgh and Cleveland Railroad. They left Camp Wayne, three miles from Detroit, on Tuesday and took boats for Cleveland, where they arrived yesterday morning and soon after took the cars for Pittsburgh. The regiment now contains only nine hundred and ninety-five men, but will soon be filled up to the full complement. The men are all uniformed and equipped, but have no arms. They were well fed by the Subsistence Committee and were to be sent forward during the night. All were pleased with their appearance and the general reputation for superiority of the regiments from Michigan was well sustained.

RAILROAD ACCIDENT.—On Saturday evening the freight train on the Pittsburgh, Ft. Wayne and Chicago Railroad collided at Clinton, five miles west of Wooster. On the western bound train was a large amount of war material for Gen. Fremont, and on the other a number of horses. The collision resulted in breaking to pieces a number of the cars. Several Columbiads were thrown out alongside of the track, where they were yet on Monday. Ten horses were killed by the accident. No other lives were lost.

RELIEF COMMITTEES.—The citizens of Elizabeth township and borough, in pursuance to a call from the County Relief Board, appointed the following Committees for the borough:

ROBERT C. WALKER,
JOHN E. SHAFER,
WM. B. SPRAGUE.

For the Township.
ALEX McCLURE,
SAMUEL P. BRENEN,
JAMES S. GARDNER.

ARTILLERY.—We are glad to note the fact that a Battery of Light Artillery is now being raised in our city for active service. Captain Hampton is recruiting for this purpose at No. 184 Liberty street.—His Battery is attached to Gen. Lamon's Brigade, in which is Col. Rowley's Regiment, and will be fully equipped here.—This arm of the service is the most useful and effective, and we have no doubt Capt. H.'s company will be quickly filled.

THE NATIONAL LOAN.—Messrs. Hanna Hart & Co., bankers, have been authorized, by the Secretary of the Treasury, to receive subscriptions to the national loan in this city. They will, we presume, have their hands full for some time to come.—We have seen a specimen of the new $5 Treasury note, which is of superior workmanship and attractive appearance.

CAPT. CHALFANT, of the Wilson Infantry, named in honor of the Mayor, has twenty-five men now in camp and is rapidly filling up the ranks. He expects to have the full complement by Saturday.—The company goes into Col. Hultz's regiment,

THE citizens of the First Ward will hold their Union Delegate Meeting from five to seven o'clock on Saturday, at the school house, the usual place of holding meetings.

TROOPS SENT EAST.—The Pittsburgh Rifles, Co. B, Capt. Morgan, left for the East at four o'clock yesterday afternoon; also several detachments of other companies.

PATRICK FINN, charged with assault and battery on Barbara Milbaugh, was held to answer by the Mayor yesterday.

LIEUT. JAS. H. STEWART, of the Union Cavalry, Capt. Patterson, who has been ill for some time, left yesterday to join his company.

CLARION COUNTY has furnished nearly twenty-five per cent of her voters as volunteers for the war.

Two engines, for the gun boats now building at St. Louis, are nearly completed by Messrs. Hartupee & Co., of this city, and will be shipped shortly.

WIFE BEATER.—Mayor Wilson yesterday committed Michael Cunningham for beating his wife, in default of a fine of $15 imposed upon him.

DENTISTRY.—Dr. C. Sill, No. 246 Penn street, attends to all branches of the Dental profession.

THE HEART'S STRUGGLE.—Dr. Von Moschzisker's new play, the "Heart's Struggle," will be presented for the first time at the Theatre this evening. It is regarded by all who have attended the rehearsals as a superior production, and if it is not perfectly successful, we have mistaken the taste of our public. It is well cast and will be produced with the best scenic effects We advise all who wish a rare treat to secure a seat for this evening. The principal part will be sustained by the general favorite, Mrs. Ellie Henderson, who has devoted much attention to it. The play was written for Miss Davenport, who gave it for warm approval, but did not accept it as she was about retiring from the stage. Let there be a full house to-night.

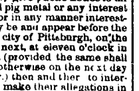
TO THE PUBLIC.


ESPECIALLY the ignorant and falsely Modest Physicians of all denominations, cloth, and delicate disorders, self abuses and diseases or situations common and incident to youths of both sexes, and adults, single or married. Because Dr. BRANSTROP publishes the fact of his doing so, the ignorant and falsely modest are dreadfully shocked, and think it a great sin very immoral, and for contamination and corruption among their wives, promising sons and daughters. Their family physician should be cautious to keep them in ignorance that they do the same as Dr. BRANSTROP, (except publishing) lest a lucrative practice might be lost to them among stupid, falsely modest and presumptious families, born and raised in ignorance, sprung as mushrooms, and who compare society, intelligence, sense, &c., to dollars and cents, tyrannously, meanly or silly esteem. It is to publicity, however, that numerous parents and guardians are thankful that their sons, daughters and wards, previously feeble, sickly and of delicate condition and of poor appearance, have been restored to health and vigor by Dr. BRANSTROP, besides many before and after marriage through him have been saved much suffering, anxiety, mortification, &c. Having the advantage of over thirty years experience and observation, consequently, he has superior skill in the treatment of special diseases, and who is daily consulted by the profession, as well recommended by respectable citizens, publishers, proprietors of hotels, &c. In female diseases he has had superior experience on account of his old age, seventy years, all irregularity is completely cured. As for consumption or pulmonary diseases my syrups, which are composed from Iceland moss and other ingredients by a skillful physician five years at the Hospitals, has had more success than all the pretensions that have as yet been discovered as the certificates will show. A Battle near Summerville.

CLARKSBURG, Va., Sept. 12.—A battle took place about three o'clock on Tuesday afternoon, near Summerville. Gen. Rosecrans, after taking a reconnoissance found Floyd's army, 5,000 strong with sixteen field pieces entrenched in a powerful position, on the top of a mountain at Carnix Ferry, on the West side of Gauley river. The rear and extreme of both flanks were inaccessable, and the front was masked heavily by forest and close jungle. Col. Lytle's Tenth Ohio Regiment of Benham's Brigade was in advance, and drove a strong detachment of the enemy out of camp, this side of the position the site of which was unknown. Shortly afterwards his scouts, consisting of four companies, suddenly discovered themselves in the face of parapet battery and a long line of palisades, for riflemen, when the battle opened fiercely. The remainder of the 10th and the 13th Ohio were brought into action successively by General Benham, and the Twelfth afterward by Captain Hartsuff, whose object was an armed reconnoisance. The enemy played terrifically on our forces with musketry, rifles, cannister and shell, causing some casualties. Col. Lytle led several companies of Irish to charge the battery, when he was brought down by a shot in the leg. Smith's 13th Ohio engaged the enemy on the left, and Col. Lowe's 12th Ohio directly in front.—Lowe fell dead at the head of his regiment early in the hottest fire, by a ball in the forehead. McMullen's howitzer battery and Snyder's two field pieces meantime were got into the best position possible under the circumstances, and soon silenced two of the rebel guns. The fire slackened at intervals but grew more furious as night approached, when the German brigade was led gallantly into the action by Colonel McCook, under the direction of Adjt. Gen. Hartsuff, then after a furious fight of three hours night compelled the recall of the troops, and the men laid on their arms within a short distance of the enemy, each ready to resume the contest next morning. Floyd fled during the night and sunk the boats in the river and destroyed the temporary bridge he had made when he first occupied the position.—The turbulance and depth of the river and the exhaustion of the troops made it impossible to follow him. He left his camp equipage, wagons, horses, large quantities of ammunition, and fifty head of cattle.—Our loss is fifteen killed and about seventy wounded, generally flesh wounds.—The rebel loss cannot be ascertained, as they carried their dead and wounded with them, but it was certainly serious.—Capt. McGroarty of Cincinnati, Capt. McMullen and Lieutenant Snider of Ohio are among the wounded, but not dangerously. Twenty-five of Col. Tylers men who were taken by Floyd at Cross Lane were recaptured, and Floyd
