UNITED STATES OF AMERICA, Western District of Pennsylvania, ss.

WHEREAS, an information has been filed in the District Court of the United States of America for the Western District of Pennsylvania, on the fifth day of September, in the year of our Lord one thousand eight hundred and sixty-one, by Robert B. Carnahan, Esq., Attorney of the United States, on behalf of the United States, alleging in substance that a certain lot of pig metal, amounting to seven hundred and eighty-one (781) tons, more or less, is now on the wharf at the port of Pittsburgh, in the said District; that the same is owned, in whole or in part, by Pointer Brothers, citizens and residents of the State of Tennessee, and now in the possession and charge of John Moorhead, of Pittsburgh, in said District; that in pursuance of the Act of Congress approved July 15, 1861, the President of the United States issued his proclamation, dated August 16, 1861, declaring inter alia that the inhabitants of the State of Tennessee are in a state of insurrection against the United States, and that all commercial intercourse between the same and the inhabitants thereof and the citizens of other States and other parts of the United States is unlawful, and that all goods and chattels, wares and merchandises coming from said State of Tennessee into other parts of the United States, by land or water, will be forfeited to the United States; and that said lot of pig metal, owned as aforesaid, was conveyed from the said State of Tennessee to said city of Pittsburgh, and that the same thereby became forfeited to the use of the said United States, and praying that the same be condemned as forfeited as aforesaid.

Now, therefore, in pursuance of the monition under the seal of the said Court, to me directed and delivered, I do hereby give public notice to all persons claiming the said pig metal or any interest therein, or lien thereon, or in any manner interested in the same, that they be and appear before the said District Court, at the city of Pittsburgh, on the first Tuesday in October next, at eleven o'clock in the forenoon of that day, (provided the same shall be a day of jurisdiction, otherwise on the next day of jurisdiction thereafter,) then and there to interpose their claims and to make their allegations in that behalf.

HEADQUARTERS PA. MILITIA.

HEADQUARTERS PENNSYLVANIA MILITIA, QUARTERMASTER'S DEPARTMENT, HARRISBURG, September 10, 1861.

Pennsylvania needs blankets and stockings for her 30,000 brave soldiers in arms to support the Government.

Every factory capable of making blankets, even to a single loom, should at once be put in operation. Liberal contracts will be given to all such.

Blankets should be wool grey, 7 feet long by 5 feet 6 inches wide, and weigh full 5 pounds, with the letter P. V. in black, 4 inches long, in the centre of each blanket.

Stockings will be needed the coming winter—half hose or socks, good sizes, one-fourth pound each. Let every mother, wife and sister knit one or more pairs.

Let associations be formed in each county, with a treasurer at the county seat, with whom the stockings can be deposited and forwarded to the military store at Harrisburg. The United States contract price, twenty-five cents per pair, will be paid to each county treasurer, and thus a fund can be raised to supply the wants of volunteer families to which every patriotic woman in the State can contribute her share.

It can be used with all kinds of water.

Reference is made with pleasure to the subjoined certificates, emanating from gentlemen well known in this community, and who had every facility afforded of seeing it fully and fairly tested.
