THE GAZETTE AND UNION. The narrow policy of the GAZETTE in endeavoring to rouse partizan spirit at a time when the country is crying out for more men to put down the rebellion deserves the severest censure of all good men. As though it were determined that the men should not be forthcoming who are necessary to decide the issue of this struggle, it labors daily to convince its readers that the Democracy, who ably fitted for the responsible post the have gone heart and hand into this war. are not sincere in their determination to support the government, except in a qualified sense. It carps at all movements which the Democracy make, and talks glibly of the Democrate doing "if they dared !" Such language could only be uttered

by one ignorant of the history of the

country and of the Democratic party, The desperate energy displayed by a ces? The Cleveland Plaindealer ar-The Democratic party, as a political organization, has always DARED DO RIGHT. It has always had the inde- can and unadulterated partizan ticket next all the American grown cotton in pendence to act up to its principles, exhibits an early proof of its weakness, which is more than can be said of the an inconvenient foreboding of its defeat. editors of the GAZETTE. It dared This year inaugurates a new ers in parto stand by the true interests of ties; old forms must give way, and new the honor and the prosperity of men step in to take charge of affairs, full the people through evil report and of life and energy. As it is in our army, through good report. It believes and so the people have willed must it be in always has believed that Democracy politics. Party names and party ties and its principles are the true and firm must yield before the pressing calls of a country in danger, and demanding alike foundation of a free government. the services of all her children.
