NEW COUNTERFEIT.—A counterfeit five dollar note, of the Bank of Commerce, has been discovered, which, although nothing like a genuine one, except in the size and form of the letters in the same, has deceived many accustomed to handling paper money. The note is printed on thin paper, of a lighter color than the genuine. It is right hand corner it has a vignette of a stone house, very clumsily executed; on the left are three female figures, two sitting and the other reclining, holding a sheet of wheat. The note is marked with the letter D. The signatures do not resemble those of the genuines.

CONFISCATING REBEL PROPERTY.—The work of confiscating rebel property in Western Virginia has been commenced by our officers there. Last week some of our soldiers at New Creek, seized a quantity of wheat in the shock, the property of a rebel, and on moderate terms, and all the wheat, and captured thirty-seven head of beef cattle, owned by secessionists, which have passed into the hands of the government, and become Government stores.

Kuhn's company of Sumner's Rifles, at Camp Curtin, was committed to the Cumberland county prison, last Sunday, charged with setting fire to the barn of Mr. Geo. Kuhn, at Plainfield, with whom she resided. It is supposed the girl had the barn as a revenge for interfering with her course of conduct. The barn was entirely destroyed. From the following Capt. Kuhn's company it appears that Sophia Orsler was in the employ of a gentleman in Carlisle, as her father, alleging that she had been several years in the employ of the Messrs. All, at Newville, as a team, but her sex being discovered she was promptly discharged from his service, after which she was picked up by one of Capt. K's men and enlisted.
