THURSDAY MORNINGHIGHOUT. 3. The Army Control Fraud Case once more—A-rest of the missing With st. Mulphy-The Controlors held to Ball on a new Information.

We stated some days since that Sylves. ter W. Murphy, whose absence at the time fixed for the trial, in the Supreme Court, of the "army contract fraua" case, created such a commotion and resulted in a nolle pros. being entered on the old bill. had arrived in Philadelphia after a voyage to Europe, and a brief sejeurn there, with his wife. Determined to have him here as witness in case a new bill is found gainst the contractors, the prosecution had an information made charging Murphy and Morris Frowenfeld with conspiracy to obstruct the ends of justice, by lleaguing together with a view to delay the case by the absence of Murphy—
A warrant was issued on this charge and sent to Philadelphia, where Murphy then was, stopping, at the Merchants' Hotel, having there registered his name full. After a search of some days, Murphy was found on Tuesday, arested, and brought to the city, in charge

of officer Henderson, upon the noon train esterday. He was taken before Mayor Wilson, who demanded bail for his appearance in the sum of \$5,000. This he was unable to obtain and he was accordingly committed to pris n. A new information was also made against Morris, Emaruel, Abraham and Asher Frowenfeld, Joseph and Louis Morganstern and Charles M. Neal, (of Philadelphia,) charged them with conspiracy to defraud the Government in the manufacture of army clothing. New A new information was also made against the manufacture of army clothing. A MEETING of Railroad Presidents held last week in New York endeavored, without success, to reconcile their diff-renews to charges on freight. The roads represented were the New York Central, the Western, the New York and Eric, the Beston and Previdence, and the Pennsylvania Central. After fully discussing the impor-tance of advancing the rates on Westward bound freight, it appeared that the princhpal obstruction to a full restoration of pri-ces were the "water rates" from Boston ia Long Island Sound, whereupon the following preamble and resolution were offered by Mr. J. Edgar Thompson, President of the Pennsylvania Central road: WHEREAS, The rates upon Westward

The Law in Regard to Voluntiers.

Considerable doubt continues to exist in

reference to the act passed by the last Log-islature, on the subject of the issuing of executions or other civil processes against volunteers. Some are of the opinion that the law includes all kinds of write, and that | will visit Butler and B aver counties for the family of a volunteer cannot be ejected the purpose. rent. Others entertain a contrary belief, and some constables will not execute a writ to distrain the family of a volunteer. It would be better for all concide the matter.

PAYING TAXES DIRECTLY INTO THE TREASURY, -The amount of taxes collected street, attends to all branches of the Denup to September 28th, this year, in this tal profession. ounty, is \$147,428,74, or about two thirds of the whole assessed against \$14.000,00 or about one twentieth of the whole, collected up to the same time last year. The new system seems to work admirably, and under it the taxes will come in much more promptly. Until the 24th inst., taxes will be received at the Treasurer's office without abatement or addition. After that date warrants will be issued for all unpaid taxes, with five per cent and costs added. As the law will be rigidly enforced after that date mentioned, it will be the interest of all who have not paid their taxes to do so within the next twenty days.

THE ROMNEY AFFAIR. - A letter to the Wheeling Press states that in the recent attack on Romney by the Federal troops, some one hundred and fifty of the rebels were killed and wounded in the skirmishes that took place while they were following up the Union forces. Only two of our men were killed, two drowned, two badly and fourteen slightly wounded. One of the printing offices was destroyed, and the other brought to New Creek. The Colonel gave orders, when entering Romney, that f any soldier entered a private dwelling to listurb the inmates, he should be instantly

He resided on Diamond alley, near the Diamond, and leaves a wife and family The body has not yet been recovered.
