Our Army Correspondence.

Daily Post. The CAMP MCCLELLAN, Oct. 9, 1861. EDITOR "POST:"-I shall occupy but s short space of your valuable sheet in re-PITTSBURGH: porting a few items that have, within the last three or four days, come under my MONDAY MORNING, OCTOBER 14 notice. On Friday last we were somewhat taken by surprise at an unannounced ex-CITY MATTERS. hibition of the art aerial, by Prof. La Mountain. He passed immediately over POISONED BY VITRIOL .- On Saturday us in his mammoth balloon, Stratuga, at an elevation of 18,000 feet fro a the earth. Justice Sprang, of West Pittsburgh, committed to jail a German named Freinholz, charged wifilly causing another party (whose name we do not remember) to It was a beautiful sight, and elicited a great amount of attention. According to the Republican, he was entirely successful swallow a quantity of oil of vitriol or muriatic acid. The circumstances as demuriatie acid. In wes controly decreased muriatie acid. The creation of the control of the most englished expectation of the state of t tions The d-y being clear ho had a fine in the employ of Singer, Nimick & Company with of the Potomac, West Pittsburgh, coming to the city, was safely in the city, having landed at a point

instructed to stop and get a jug of oil of vittol or muriatic acid (the latter, we m miles east of the city, and will rebeat the ascension at an early day. Yes-terday was elect on day among our oma-pany, the Friend Rifler, and the excitebelieve,) for the purp se of removing rust from a steel gan being finished then ment for a time ran high. The officers of the Company had charge of the ballot box, and done the thing up in an aldermanic style. Several of the members devoted was in the jug and the driver told him it was "bad suff" for the cannon, which would burn and for him not to break the their spare time to election sering for their jug. Passing through West Pittsburgh, Freinholz was hailed by three men, who favorite candidate. But the Simon Pure

Union ticket, such as the Post had at the asked what was in the jug; he replied "whisky," and, it is said, invited them to mast head, came through in fine orderhaving a majority of seven out of a vote of drink. One took a swallow from the jug before he discovered the flory nature of the ninety-five. Party feeling was laid aside, and as you can plainly see, worth and ability brought into requisition I am not positive as to the legality of this undertaking, but the vote cught most assuredly to be received, for all are citizins and bon- grew ill and the services of physicians were be received, for an any children. Our fight- called into requisition, who they define and coating of the ing for our country's cause, in snother than a Pennsylvania Regiment, should not determs from having our richts as cutizens. He was conveyed to his home in Birmingthan a Fennsylvania origination, and the seconveyed to his nome in Difference deterus from having out rights as citizens, hani, where, at last accounts, he was lying biedly "the least said" about a matter n a precarious condition, the chances be that we are comparatively ignorant of ing against his recovery. Freinholz was

rested and committed to await the result. On Menday last, our company, the If he did wilfully give the man the dan-Friend Rifles, as we are sometimes called, gerous fluid, knowing its character, his po-sition is by no means enviable, as in case since our late warm march, were on duty of a fatal result, he would be answerable
