The Daily Post. PITTSBURGH:

Railroad Matters.

FRIDAY MORNING, OCT. 18. CITY MATTERS.

It is generally known that the Peni sylvania Railroad Company and the Philadelphia, and Erie Railroad Company have, for several months past, had under negotiation the form of a lease of the un inished road of the latter company to the former for a term of ninety nine years.— On Saturday last, after several unsuccessful meetings, the Managers of the Penns phia and Eric Railroad Company, on Monday, was almost unanimously accepted, so virtualsale of the Erie road to the Pennsylvania Railroad Company, but the execution of the necessary papers and the ratification of the sale and purchase by the stockholders of both roads. The terms of sale are, substantially, that the Pennsylvania Railroad Company shall guarantee the bonds of the Philadelphia and Erie Railroad Company to the amount of \$3,800,000, to complete the road, paying out of the same to the Philadelphia and Erie \$150,000 for the present relling stock—leaving \$3,650,000 to be applied to the work of construction. The Philadelphia to undertake the formation of a regiment in Armstrong and the adjoining counties.—He had so far refused, yet if I would agree to give him my aid he would make the attempt. I consented to do so, and from that time till my resignation was sent in, my time and energies have been devoted to the tone object. I rode through the sunshing and right for weeks, sparing neither exertions, nor time, nor money, to accomplish the object, devoting not even one hour to my personal affairs.

cot of the same to the present relling stock—leaving \$3,650,000 to be applied to the work of construction. The Philadelphia and Eric Railroad Company will then hold, as assets, \$1,200,000 of this authorized issue of five millions of bonds, the rized issue of five millions of bonds, making an aggregate of \$1,700,000 to compromise and liquidate a rather larger

nds, secured by a first mort gage over the whole road—equal to about \$11,000 per mile. A second mortgage of like amount secures bonds to be awarded family, and myself, or to resign my post to the holders of the present mortgage tion as Lieutenant Colonel of the regibonds of the old companies, and a third mortgage of \$2,000,000 will accure the interest on bonds to be given to the hold. on the bonds to be issued under this third mortgage will only be paid in case the earnings of the road prove sufficient for deem the first issue of bonds.

A Good Move - Much trouble having been experienced at Camp Carlisle, Wheeling, by the indiscriminate selling of liquor to soldiers, the State authorities requested the City Council of that place to pass an ordinance prohibiting the keepors of coffee houses and ordinaries from such sale. The Council met on Tuesday evening, and adopted an ordinance embracing provis-ions similar to an act of Congress passed at the last session, prohibiting the sale of liquor to soldiers in Washington City.— The ordinance provides that all persons convicted of selling, giving, or administering liquor, knowingly, to officers or soldiers, or takes wearing the uniform of soldiers, or takes wearing the uniform of soldiers. diers, shall pay a fine of not less than ten dollars nor more than twenty dollars. transportation facilities of the Pennsylvania Railroad are now taxed to their ut most capacity. Some 214 engines, 70 passenger cars and over 3,000 freight cars are constantly employed in carrying pas sengers and freight. The shipmen stock over this line is greater than that of any other in the country. The receipts o the road for the year ending the 1st inst., were over \$7,000,000.
