A Brilliant Victory.

St. Louis, Oct. 27.—Headquarters West. The following dispatch has been received, announcing a most brilliant victory at Springfield by Gen. Fremont's body guard, numbering 150 men. Five miles out of Bolivar, 10 A. M., Oct. 26th: General I report respectfully that yesterday at 4 P. M. I met in Springfield about 2000 of the rebels formed in line of battle. They gave me a very warm reception, but your guard with one feeling made a charge and in less than three minutes they were completely routed by 150 men. We cleared the city of every rebel and re-joined the report that your guard was able to keep the place with so small a force. Maj. White's command did not participate in the charge. I have seen charges, but such brilliant unanimity and bravery I have never seen, and did not expect. Their war cry, 'Fremont and the Union,' broke forth like thunder.
