LOSE NO TIME.

READ:

FOR A NUMBER OF YEARS PAST I have been gradually growing deafer and deafer. I have tried numerous physicians and remedies without any effect, the noise in my head increasing to a very distressing extent. From seeing the testimonial of a clergyman, well known to me, I was induced to put myself under Dr. VON MOSCHZISKER'S treatment seven months ago. My case was a very obstinate one, and after four months treatment became somewhat discouraged; but yet persevering. I am more than happy to state that the noises in my head, so distressing have entirely left me, and that my hearing is very much improved as all my friends and those in business connection with me can testify. From my marked improvement I am fully satisfied that I will recover the hearing which I thought hopeless ly lost to me. P. H PIERCE.

EYE:

Among those who have been benefitted by your skillful treatment in diseases impairing the sight it affords me great pleasure to add the testimonial of my gratitude to the list of your patients. My sight was so much impaired during the past eighteen months that I could not recognize the features of a friend at standing near me. Desirous that all those whose sight is defective should know where to apply for relief, I tender you this acknowledgment of your eminent skill and success in the treatment of your obliged and grateful friend.
