GIPNER'S TRIMMING STORE The Times in an editorial on the efforts of a class of manufacturers to induce the 78 MARKET STREET. overnment to interfere in America says hat England will rather undergo much AS NOW ON HAND A LARGE suffering than break the plain rules of international law. England has recognized he blockade and must abide by it. To break it would disgrace and stain her reputation. She will not commit such an ct, even to save her greatest manufacurers. onnet Ribbons The Times however, says that the block-Bonnet Ruches, ade is not everywhere effectual and re-minds the Washington government that only real blockades call for recognition.— The article concludes saying it would ill become England to become the tool of Southern machinations which by withhold. dies Wool Hoods, ing cotton, count on compelling foreign nations to take side with them. The Bombay Gazette says that by anoth-ar year England need not look further than India for a supply of cotton. Russell in his last letter asserts that England and the United States were all at at war three months since. The Times points to the independent character of the war in Missouri and Kena Horiery, tucky, to show the impracticable nature of the war. CHEAP FOR CASH.
