OFFICIAL PAPER OF THE CITY. PITTSBURGH:

MONDAY MORNING:::::::NOV. 25. graph and Local News See First and Third Pages.

We direct attention to Jeff. Davis' message, published in this morning's

and Slidell. THE UNION FEELING SOUTH. A writer in the New York Journal of Commerce of a recent date publishes what | d

purports to be the substance of a conversation held by him with President Lin-"is wasting itself," that it has been losing coming year." This desirable result is should have to go back several months for not calculated upon merely because of a good effective contrast of colors." the government's shility and determination to crush the rebellion, but is partly | Fffect of Mr. Seward's Circular to in consequence of the administration's knowledge of a permanent and growing Union feeling throughout the South. H | seabrard states in relation to the necessity of deit were possible to catch the principal fending our harbors. It charges him with attempt leaders of the rebellion, or drive them | 10% to "get up a quarrel between England and the into exile, there is not, we firmly believe, of the circular are general, "mobody can doubt a single rebellious State that would not that England is the Power alluded to." The will immediately return to her allegiance, ticle closes thus: We do not uchieve that seven or eight months of your large interesting in any way in the American months of war have increased rebellious quarrel. Our interests are not identical with feeling in the South. Those months either side, and there is httle in the case the voke have brought reflection, and with it the our sympathies. Were there more, it is no longer conviction that the rebellion was unne cessary. See with what alacrity the people of Northampton and Accomac gentlemen from the southern S ates who can tell destine there is not been strong we do not know stready, either about there is not true to the contract of the tapkin event, and the distribution of the contract of the con flag, as soon as they felt safe in doing so. our wants or their power of supplying them; about tion of that pervading the entire State. curse'ves by invading from the north the great Virginia to-day is as strongly for the populous and agricultural State of New York, peol Union, if permitted to say so, as she was last spring, when she voted to remain thinty of a brave and vigorous resistance to a wanone of its members. A victory by Mc- ton and objectless invasio. It is really too much there by our troops, would bring the aconymous pamphlete fire-shadowing the absorp State back as suddenly as General Dix aconymous pamphiate free-hadowing the absorption of the of friendly states; we maintain no enormous did the two counties alluded to. The error thusing for pay and for plunder; we desire talsehoods upon which the rebel leaders based their action are now protect well have repeatedly shown, with no country so much based their action are now pretty well as with the United States. exploded. The President has not issued a proclamation, as they predicted, cailing upon the slaves to rise and cut their masters' throats. The contrary is the Congress, but the im, ression I received was raise case; and throughout the North, the or disappointing. I had looked for a tetter-type

growing Union sentiment is seen in the recent action of a portion of the people of North Carolina. Five counties have seceded from the rebel State governone, and have acknowledged the United the old North State would be, had she should be in such relationship. But it is curious compliment. a fair opportunity to declare her sentiments. The simple fact of those counties acting as they have, in the teath of their usurping authorities, is conclusive as to how the hearts of the people beat for the Union. The same moderate, though firm course of action, which has characterised the administration since the commencement of hostilities, will not only make the Northern people more united and enthusiastic in its support. but will also have the effect of a steady and healthy reaction in the South. It is now going on so rapidly that the President confidently anticipates peace within a year at farthest, even it wa should have no more hostile engagements. This conclusion is based upon information which shows an intense bitterness and that the youngest held in his hand. Jealousy growing up among the rebel leaders.

A Washington correspondent of a Boston paper says that every body speaks well of the President, except the Charles Sumner abolitionists, and that they denounce him with a severity which would consign any one else to Fort Lafayette or Fort Warren, and every day but adds to the strength of these men. who are endeavoring to make this a war for the emancipation of the slaves. Unless I am very much mistaken, six months will not elapse before the warm | not let the enemy get the start of you. You can est supporters of the President in New England will be among those who opposed his election, and the approaching session of Congress will develope an opposition from a quarter certainly not anticipated when the war commenced. This will be followed by a reconstruction of the Cabinet, and another year will mensed." find Democrats among Mr. Lincoln's advisers, or he will have no government to require a Cabinet.

The Memphis Afficial sounds the the federal army from Southwest Mis. | the rife of Brummie, when, lot he found a turnip souri. It says that the descent of the force of from seventy-five to one hundred thousand troops. To meet this force will require all the resources that can be brought to bear against it, and what is more, there is no time to be lost.

nant with significance, and should serve! to arouse our whole people to a sense of From Colonel Black's Regiment. their danger. We admonish them that they have work in store for them if they would defend their homes their rights and their sacred honor. 'TO ARMS! must be the watchword from this day henceforth. Every man in the country should be prepared for the emergency.

The following curious paragraph For Afternoon and Midnight Tele-Post office stamps, of any communication overrunize cavis wil, not be received for subscrittions to the Post. The Postmaster here deciming to exchange the larger denominations for smaller that the Post is the object alluded to. and that the italies are the Gazette's

"But though we will not turn our pennay, not even a black-lead pencil- pointpaper. It will be seen that he is particularly savage at the arrest of Mason

day, by "sudscity," to use one or other of those little wespons as a kind of rod,—not the strike at this pretty bubble, for that would be just as bad for it as a stab. or tather a puncture, which is the right word for what the mere point of a bodkin would ,-but just to wave over it a little, that by the motion of the air thereby produced, may be admonished gently, without incurring the danger of a collapse. It has made coln. In this interview the President is a record of the phases of its I valty, as reported to have said that the rebellion | well as of the drivellings of its supidity, and if we preferred, yesterday, to make a little note of the latter, it was because the force the "last two months," and that it day brought it forth, as indeed it is an would be entirely crushed "within the coming year". This desirable result is
